7.	Mr. ABHAY KUMAR	Member
8.	Mr. RAUSHAN KUMAR	Member
9.	Mr. PENTAR KUMAR	Member
10.	Mr. BRAJESH KUMAR	Member

The following points were discussed and finalized in 5th BOS meeting.

Dr. C.V. RAMAN UNIVERSITY VAISHALI BIHAR

Item No. BOS 4:01	Confirmation of minutes of meeting and action taken report of Previous meeting held at HOD Office.
Resolution	Chairman BOS read out the minutes of meeting & action taken report of Previous meeting and requested to members to confirm the same. The minutes were confirmed unanimously.
Item No. BOS 4:02	Discussion and Approval of Syllabus structure w.e.f. AY 2023-2024 as per NEP guidelines.
Resolution	The new syllabus structure for the academic year 2023-2024, in alignment with the National Education Policy (NEP) guidelines, was discussed in detail. The Chairperson, Mr Sanjeet Kumar proposed a curriculum framework for the Second year of the B. Tech. program, which was established based on the suggestions of subject specialists and in alignment with the objectives of NEP 2020. The members conducted a comprehensive analysis of the proposed course plan, with a particular focus on the core subjects, elective options, credit distribution, and evaluation techniques. The members submitted several proposals and adjustments to improve the framework of the program. To tackle these issues and get a unanimous agreement, the chairman supervised a comprehensive deliberation. The external members suggested incorporating some management courses into the curriculum, considering the requirements of the industry for productivity and the necessity of meeting deadlines.
Item No. BOS 4:03	Discussion and Approval of activities that will be conducted in 2023-24
	Proposed activities for the academic year 2023-24, including workshops,

	seminars, and industrial visits, were discussed. Mr. Nishant Kumar, the industry representative, suggested organizing more hands-on workshops that focus on the latest technological advancements and industry trends. He emphasized the importance of exposing students to real-world applications and practical skills. Mr. I also recommended collaborations with local industries for internships and live projects, which would provide students with valuable industry experience and enhance their employability. Additionally, he proposed guest lectures by industry professionals to bridge the gap between academic knowledge and industry requirements. The committee approved the activities with the inclusion of Mr. Rishu Kumar suggestions, aiming to enhance student engagement and learning outcomes through increased industry interaction.
Item No. BOS 4:04	Discussion on measures to improve teaching and learning methods.
	Various strategies to improve teaching and learning methods were discussed. These included incorporating more interactive teaching tools, increased use of digital resources, and continuous assessment techniques. The committee agreed to implement several new methods and regularly review their effectiveness.
Item No. BOS 4:05	**Any Other Subject with the Permission of the Chair**
	During this segment, additional topics were brought up for discussion: **Criteria for Minor Degree**: Anand Kumar and Abhay Kumar raised the issue of establishing clear criteria for students pursuing a minor degree.

	They discussed the need for defining eligibility requirements, course selections, and assessment methods for the minor degree. **Selection of NPTEL Courses**: Ankit Kumar and Anand Kumar also suggested providing guidelines for students selecting NPTEL (National Programme on Technology Enhanced Learning) courses. They recommended creating a list of approved courses that align with the department's curriculum and learning objectives. **Resolution by Anand Kumar:** Mr. Sanjeet Kumar addressed the concerns raised about the criteria for the minor degree and the selection of NPTEL courses. He proposed a draft detailed guidelines for both issues. **Industry-Academia Collaboration**: Mr. Nishant Kumar reiterated the importance of strengthening industry-academia collaboration through joint research projects, consultancy, and establishing industry-sponsored labs. This would provide students with practical exposure and enhance their understanding of industry requirements. These suggestions were noted for further discussion and potential implementation in future meetings.

The meeting concluded with a vote of thanks to all members for their participation and valuable contributions. The next meeting date will be decided and communicated in due course.

The Board of Studies Members Resolved and Approvals given:

- **AGENDA 1: To read and confirm the minutes of third meeting of BOS, Civil Engineering**

  The minutes of third BOS meeting held on 11/03/2022 in Hybrid mode was discussed and confirmed by all the members.

- **AGENDA 2: To note and discuss the modified constitution of Board of Studies Civil Engineering.**

  In Civil Engineering Department ,no faculty member is left or joins the department/college; hence BOS constitution is same as previous year BOS constitution.

- **AGENDA 3: Appraisal on Teaching, Research, Extension and other Academic Activities, Achievements of the Department:**

  (a) **Implementation of Teaching, Learning and Evaluation Process:** Members were apprised of the workload distribution, time tables, teaching plan and schedules. The members have appreciated the good practices followed by the department in conducting diagnostic test, formative tests, remedial and reinforcement classes as well as offering of the necessary add-on courses.

(b) **Research and Consultancy**: Members were apprised of the Research Initiatives at the Departmental level. They suggested certain thrust areas in which research proposals may be sent to the funding agencies. Construction Technology and surveying was the proposed thrust area.

(c) **Extension Activities:** Members were informed about the students' active participation in various extension activities like NSS, blood donation camps, outreach activities, American Society of Civil , Student Chapter activities, etc.

(d) **Faculty Development Activities:** Members noted the numbers of publications and paper presentations by the members of the faculty. Also they were informed of the incentives given by the Management for their academic achievements. The faculty members are advised to publish only in reputed refereed journals having good impact factor.Members were apprised of the faculty who had attended and organized the Faculty Development Programmes.

(f) **Student Development Activities**: Members were informed about equity action plan & remediation, guest/expert lectures, industrial/site visits organized by the Department for the benefit of students. Members were apprised the prizes, awards and recognitions achieved by the students both in co-curricular and extra-curricular activities. Members have expressed their satisfaction regarding the student development activities.

(g} **Student Support Systems:** Members took note of the counseling mechanisms followed for overall improvement of the students and also the Campus Placement Related Skills (CPRS} and personality development programme conducted for better performance in placement related activities.

(h) **Achievements of the Department**: Members were apprised the achievements of the department.

- **AGENDA 6: Suggestions & Recommendation of BOS members**

External Members emphasize on speeding up the Lab set up process so that students can take benefit of the newly setup labs

- **AGENDA 7: Any other Agenda with the permission of the chairman**

  University Nominee has told the department to work on MOU's with different companies for better Industry Academia Collaboration.

- **AGENDA 8: Vote of Thanks**

The meeting ended with a vote of thanks by Chairman Mr. Shantnu to all the members for giving their valuable insights.

The meeting commenced with Mr. Deepak Kumar, HOD and Chairperson of the meeting, welcoming the guest experts and introducing them to the team members. The agenda for the meeting was based on the following points:

Agenda 1: Review and Implementation of Last Year's Curriculum Upgrades

- ✓ The committee reviewed the implementation of last year's curriculum upgrades for the CSE programs.
- ✓ Feedback from faculty and students was discussed, and minor adjustments were proposed to further align the curriculum with industry standards and emerging trends.

Agenda 2: Introduction of Advanced Lab Facilities and Emerging Technology Modules

- ➢ The committee discussed the introduction of advanced lab facilities, including new software, hardware, and tools for practical learning.
- ➢ Emerging technology modules, such as AI, Machine Learning, IoT, and Blockchain, were proposed for integration into the curriculum.
- ➢ A timeline for the implementation of these modules and lab upgrades was agreed upon.

Agenda 3: Strengthening Industry-Academia Collaboration and Internship Programs

- ✓ The committee emphasized the importance of strengthening ties with industry partners through MoUs, guest lectures, and collaborative projects.
- ✓ Strategies to enhance internship opportunities for students were discussed, including the creation of a dedicated placement and internship cell.
- ✓ A proposal to organize industry visits, networking events, and career fairs was approved.

Agenda 4: Promoting Research, Innovation, and Start-Up Culture among Students

- ✓ The committee discussed initiatives to promote research and innovation, such as setting up a dedicated research cell and encouraging participation in conferences and journals.
- ✓ Plans to foster a start-up culture among students, including organizing hackathons and providing mentorship, were proposed.
- ✓ A proposal to establish an innovation lab for student projects was approved.

Agenda 5: Faculty Development Programs on Emerging Technologies and Teaching Methodologies

- The committee emphasized the need for faculty development programs to keep educators updated on emerging technologies and modern teaching methodologies.
- Proposals for workshops, training sessions, and certifications for faculty members were discussed and approved.
- A plan to encourage faculty participation in research and industry collaborations was also discussed.

Agenda 6: Enhancing Student Skill Development through Workshops, Certifications, and Hackathons

- The committee discussed initiatives to enhance student skill development, including organizing workshops, certification programs, and hackathons.
- Plans to collaborate with industry experts and online platforms for skill-based training were proposed.
- A proposal to introduce a skill development calendar for the academic year was approved.

The meeting concluded with Mr. Deepak Kumar thanking all participants for their valuable contributions and insights.

Proceedings:

The meeting commenced with a welcome address by Mr. Kripa Shanker, Chairperson of the Board of Studies. He highlighted the objectives of the meeting and the importance of updating the curriculum to stay aligned with modern engineering practices.

During the meeting, following points were discussed:

1. **Discussion on Syllabus Review:**
   - The Chairperson initiated the meeting with a detailed presentation on the current syllabus for both B.Tech. and Diploma programs and initiated a discussion on the need for updates to incorporate recent technological advancements.
   - Dr. Rajeev Ranjan Kumar proposed the inclusion of courses on emerging technologies like IoT, renewable energy, and AI applications.
   - Mr. Vikash Kumar Singh suggested restructuring the power systems course to include smart grid technologies.
   - Dr. Rajeev Ranjan Kumar recommended integrating microcontroller-based projects into the final year syllabus.
   - Dr. Sanjeev Gupta suggested to streamline overlapping topics and update course content to align with industry demands.
2. **Review of Lab and Practical Components:**
   - Mr. Vikash Kumar Singh presented a report on the current lab facilities and practical components.
   - Mr. Avinash Kumar Singh emphasized the need to align lab exercises with theoretical content to enhance understanding.
   - Dr. Sanjeev Gupta suggested upgrading the laboratory infrastructure with modern equipment, including simulation software for circuit analysis, power system analysis and renewable energy setups.
   - Miss. Pallavi Sahay proposed incorporating additional practical exercises and virtual lab options to cover areas such as microcontrollers, power electronics, and smart grids.
   - The Chairperson proposed scheduling regular audits of lab resources and obtaining feedback from students regarding practical sessions. He also recommended regular maintenance and periodic review of lab infrastructure.

3. **Sustainability and Green Engineering Initiatives:**

- Dr. Dharmendra Kumar Singh proposed integrating a dedicated course on renewable energy technologies and sustainable practices into the undergraduate curriculum.
- Miss Pallavi Sahay proposed introducing a course on green engineering and sustainable practices, focusing on energy-efficient technologies. She also suggested the inclusion of practical projects focusing on green energy solutions such as solar panels and energy-efficient systems.
- Mr. Balram Yadav recommended including case studies on renewable energy projects to provide practical insights.
- Dr. Sanjeev Gupta emphasized the need to align these initiatives with global Sustainable Development Goals (SDGs) and recommended organizing workshops to educate students on green engineering principles.
- The Chairperson proposed establishing a dedicated Solar Lab & Renewable Energy Park to facilitate advance research and innovation. All members unanimously agreed on this proposal.
- The inclusion of multidisciplinary projects focusing on sustainability was also approved.

4. **Feedback from Stakeholders:**

- Miss Pallavi Sahay presented a draft of the feedback collected from students, alumni, industry experts, and faculty and put for discussion.
- As per the feedback obtained from the students, the Chairperson proposed the arrangement of communication and personality development classes and more practical exposure to final year students for improving placement opportunities.
- Mr. Balram Yadav recommended creating a formal mechanism to involve alumni in curriculum design and mentoring programs.
- Members agreed to incorporate these suggestions into the curriculum and strengthen collaboration with industries and professional bodies.

5. **Any other matter brought by BOS members:**

- Mr. Kripa Shanker invited additional suggestions from members.
- Dr. Dharmendra Kumar Singh proposed organizing faculty development programs to stay updated with emerging technologies.

- Dr. Rajeev Ranjan Kumar proposed organizing a national-level seminar on advancements in Electrical and Electronics Engineering to provide a platform for knowledge exchange.
- Dr. Sanjeev Gupta recommended forming industry partnerships for internships and collaborative projects.
- The Chairman proposed an establishment of Departmental Library along with Central Library for specialized books, journals, and project reports. Dr. Dharmendra Kumar Singh supported the proposal and recommended seeking funding through grants or industry sponsorships.

Resolutions:

1. The syllabus for both programs will be revised to incorporate emerging technologies and industry trends.
2. Lab facilities will be upgraded, and practical components enhanced with simulation tools and virtual labs.
3. Sustainability principles will be integrated into the curriculum, with an emphasis on multidisciplinary projects.
4. Establish a formal stakeholder feedback mechanism
5. Stakeholder feedback will be utilized to refine the curriculum and strengthen industry collaboration.
6. Conduct regular feedback sessions with students, alumni, and industry representatives.
7. Establish a departmental library with specialized resources and explore funding opportunities for its development.

Conclusion: The Chairman thanked all members for their active participation and valuable inputs. The meeting concluded with unanimous agreement on the discussed points.

Mr. Kripa Shanker, HOD and Chairperson of the meeting welcomed the guest experts and introduce them with team members.

In the starting of meeting, the last year syllabus revision and its implementation was discussed. The expert from outside have discussed the current advancement and updates in the field of Electrical Engineering and its various career prospects.

During the meeting, following points were discussed:

1. **Curriculum Review**

The chairperson briefed the members about the present syllabus and necessary implementation requirement as per the feedback received from all the stake holders. The committee engaged in a detailed discussion regarding the curriculum structure, course content, and any necessary updates. Various suggestions were made to enhance the curriculum in alignment with industry standards and technological advancements.
It was decided to incorporate a new elective course focusing on renewable energy systems to provide students with a comprehensive understanding of sustainable energy technologies.
The Chairperson assigned specific tasks to relevant faculty members to further refine the proposed changes before the next meeting. The board reviewed the scheme of examination, curriculum and syllabi of programmes/ examinations and following changes were suggested in the scheme and syllabi for the upcoming session.

The board members have given the suggestion on the present syllabus and decided the following points to be implemented in the syllabus:

- **In B. Tech Electrical Engineering, following changes were proposed in the course:**

1. Need to interchange Units-III, IV & V of **Electrical Machine-I (3TBEX302)** with Units- I & II of **Electrical Machine-II (3TBEX502)**. Also, addition of a unit "**Electromechanical Energy Conversion**" is required in **Electrical Machine-I (3TBEX302)** as Unit-I.

- **In Diploma of Electrical Engineering, following changes were proposed in the course:**

1. There must be Practical in **Generation Transmission & Distribution (2TDEX-404)** instead of practical credit allotted for **Entrepreneurship (2TDEX-405)**.
2. **Electrical & Electronics Measurement and Measuring Instruments (2TDEX-304)** of 3rd semester should be replaced with **Electrical Circuit (2TDEE-502)** in the 5th semester.
3. **Industrial Management (2TDEE-402)** should be interchanged with **Energy Conservation & Management (2TDEX-603)**.

>>>>>The detailed implementation/ changes in the programme are given in Annexure-I

2. **Courses Offerings based on Employability**

D.C.V. RAMAN UNIVERSITY VAISHALI BIHAR

It is also suggested to implement skill-based course of each programme with more weightage in the curriculum.

3. Value Added Courses

The Chairperson briefed the members about the possible implementation of new programme in the department for coming academic year. It was suggested to find the possibility of starting demanding programs like 6 months certificate courses on **House Wiring, Mobile Repairing, Home Appliances Repairing.**

Meeting ended with the vote of thanks to all the members who were present in the meeting.

The following points were discussed and finalized in 7th BOS meeting.

Item No. BOS 7:01	Confirmation of minutes of meeting and action taken report of Previous meeting held at HOD Office.
Resolution	Chairman BOS read out the minutes of meeting & action taken report of Previous meeting and requested to members to confirm the same. The minutes were confirmed unanimously.
Item No. BOS 7:02	Discussion and Approval of Syllabus structure w.e.f. AY 2024-2025 as per NEP guidelines.
Resolution	The new syllabus structure for the academic year 2024-2025, in alignment with the National Education Policy (NEP) guidelines, was discussed in detail. The Chairperson, Mr Anand Kumar proposed a curriculum framework for the Second year of the B. Tech. program, which was established based on the suggestions of subject specialists and in alignment with the objectives of NEP 2020. The members conducted a comprehensive analysis of the proposed course plan, with a particular focus on the core subjects, elective options, credit distribution, and evaluation techniques. The members submitted several proposals and adjustments to improve the framework of the program. To tackle these issues and get a unanimous agreement, the chairman supervised a comprehensive deliberation. The external members suggested incorporating some management courses into the curriculum, considering

Item No. BOS 7:03	Discussion and Approval of activities that will be conducted in 2024-25
Resolution	Proposed activities for the academic year 2024-25, including workshops, seminars, and industrial visits, were discussed. **Mr. NARENDRA KUMAR TIWARI**, the industry representative, suggested organizing more hands-on workshops that focus on the latest technological advancements and industry trends like CATIA Pro-E, SOLIDWORKS. He also suggested about Quality Control Tools as FEA as well as use of VMC & HMC. He also emphasized on some hands on training programme on advance welding technique, coding on VMC. **Mr. NARENDRA KUMAR TIWARI**, also recommended collaborations with local industries for internships and live projects, which would provide students with valuable industry experience and enhance their employability. Additionally, he proposed guest lectures by industry professionals to bridge the gap between academic knowledge and industry requirements. Academic expert **Prof. SACHINDRA KUMAR & Dr. RAHUL KUMAR SINGH** also suggested about the academic activities like poster presentation, model exhibition, skill test, mini & major project based on industry and society requirement. The committee approved the activities with the inclusion of suggestions, aiming to enhance student engagement and learning outcomes through increased industry interaction.
Item No. BOS 7:04	Discussion on measures to improve teaching and learning methods.
Resolution	**Prof. SACHINDRA KUMAR & Dr. RAHUL KUMAR SINGH,** External academic expert, Various strategies to improve teaching and learning methods were

The Agenda for the meeting was based on the following points:

- Curriculum Review and Updates for Emerging Technologies
- Enhancement of Lab Infrastructure and Research Facilities
- Strengthening Industry-Academia Collaboration
- Promoting Research, Innovation, and Entrepreneurship
- Faculty Development and Skill Enhancement
- Student Skill Development and Competency Building

Meeting Proceedings:

Welcome and Introduction:

- The meeting kicked off at 1:00 PM with Miss Nidhi warmly welcoming all participants.
- Mr. Saurabh presented a flower plant to Miss Naincy Priya as a gesture of welcome.
- Mr. Ashutosh Ranjan (Chairperson) and Mr. Saurabh promoted the *Vishwa Rang Antarrashtriye Hindi Olympiad 2025* by handing over a poster to Miss Naincy Priya.
- Mr. Monesh welcomed Mr. Aditya Anand (Industrial Expert) with a flower plant and also promoted the *Vishwa Rang Antarrashtriye Hindi Olympiad 2025*.

Agenda 1: Curriculum Review and Updates for Emerging Technologies:

- Miss Nidhi outlined the six agendas for the meeting as directed by the Chairperson.
- The board reviewed last year's curriculum to identify areas for improvement.

Dr. Naadir Kamal's Proposal:

- Dr. Naadir Kamal suggested replacing outdated technologies like X.25 and ATM with Software-Defined Networking (SDN) in the Computer Networks syllabus.
- He also proposed adding cloud and edge computing to the Computer Organization and Architecture (COA) syllabus, providing strong references and reasoning.
- After a detailed discussion, the Chairperson instructed Mr. Tauqeer to invite Dr. Vinod Sharma (AGU member) to share his opinion.

- Dr. Vinod Sharma agreed with Dr. Naadir Kamal's proposals and recommended implementing the changes.

Mr. Saurabh's Proposal:

- Mr. Saurabh proposed the inclusion of the Linux File Hierarchy System in Unit II of the Linux Operating System - Operations & Management syllabus for BCA 4th Semester, emphasizing its significance in modern computing.
- The board discussed the proposal and unanimously approved it.

Mr. Raja Kumar's Proposal:

- Mr. Raja Kumar suggested replacing the R programming language with Python in the Diploma CSE 4th Semester syllabus, citing Python's widespread industry usage and ease of learning.
- Dr. Vinod Sharma supported the proposal, and the board approved the change after a thorough discussion.

Mr. Deepak Kumar's Proposal:

- Mr. Deepak Kumar proposed including C programming language in the Basic Engineering subject for B.Tech 1st Year students, emphasizing its foundational importance.
- The board approved the proposal after a constructive discussion.

Agenda 2: Enhancement of Lab Infrastructure and Research Facilities:

- Miss Nidhi moved to the second agenda as per the Chairperson's instructions.
- The discussion focused on the current state of the university's lab infrastructure and ways to enhance it.
- Both industrial and academic experts, along with board members, shared their valuable suggestions for improvement.

Suggestions:

- ❖ **IoT Lab Setup:**
- ✓ Dr. Vinod Sharma proposed initiating a small IoT lab equipped with 10 Arduino sets.
- ✓ The lab will focus on hands-on project training, with students working in groups to encourage collaboration and practical learning.

- ❖ **Scaling and Modernization:**
- ✓ Dr. Vinod Sharma also emphasized scaling and enhancing lab equipment in line with emerging trends and technologies.
- ✓ Suggestions included upgrading existing labs with advanced tools and software to keep pace with industry standards.

The board unanimously agreed to prioritize the establishment of the IoT lab and the modernization of existing facilities.

Agenda 3: Strengthening Industry-Academia Collaboration:

- The meeting progressed to the third agenda, focusing on strengthening industry-academia collaboration.
- External experts suggested encouraging students to create and maintain LinkedIn profiles, showcasing their certifications from platforms like Coursera and Udemy.
- A discussion was held on motivating students to learn about Generative AI and Prompt Engineering, as these skills are becoming increasingly relevant in the industry.

Agenda 4: Promoting Research, Innovation, and Entrepreneurship:

- ➢ The board moved to the fourth agenda, discussing ways to encourage students toward innovation and research.
- ➢ It was proposed that the university and department should sponsor innovative research projects to provide students with financial and technical support.

- The goal is to create an ecosystem where students feel motivated to pursue groundbreaking research and entrepreneurial ventures.

Agenda 5: Faculty Development and Skill Enhancement:

- Miss Nidhi invited the industrial expert to share insights on this agenda.
- The expert emphasized the importance of:
  - ✓ Motivational programs for students.
  - ✓ Pre-placement talks to prepare students for the job market.
  - ✓ Value-added seminars to enhance skill sets.
  - ✓ Complementary skill-building workshops.
  - ✓ Moral value addition to foster holistic development among students.

Agenda 6: Student Skill Development and Competency Building:

- Miss Nidhi invited the academic expert to discuss the sixth agenda.
- The expert focused on:
  - ✓ Encouraging students to pursue higher education.
  - ✓ Guiding students to publish research papers and participate in academic conferences.
  - ✓ Building competencies that align with industry requirements.

Closing Remarks by Dr. Vinod Sharma:

- As per the Chairperson's instructions, Mr. Tauqeer invited Dr. Vinod Sharma to share his final thoughts.
- Dr. Vinod praised the board for conducting a well-organized and productive meeting.
- He mentioned that everything discussed was excellent and no major additions were needed at the moment. However, he assured the board that he would inform them if any further suggestions arose.
- Everyone thanked Dr. Vinod for his valuable input.

Vote of Thanks:

- Miss Nidhi invited Mr. Saurabh to deliver the vote of thanks.

- Mr. Saurabh expressed gratitude to all participants in a heartfelt manner, appreciating their contributions to the meeting.
- Special thanks were given to Dr. Vinod Sharma for joining online and sharing his insights.
- The meeting concluded on a positive note, with all members feeling motivated and aligned toward the department's goals.

4. Review of academic performance and student feedback.
5. Discussion on industry collaborations and internship opportunities.
6. Any other points with the permission of the Chair.
7. Conclusion of the meeting

Proceedings:

Mr. Kripa Shanker, HOD and Chairman of the meeting welcomed the guest experts and introduce them with team members.

During the meeting, following points were discussed:

1. Review and Approval of the Previous BoS Meeting Minutes

- Mr. Kripa Shanker presented the minutes of the last meeting held on March 12, 2024.
- The key action items from the previous meeting included:
  - Syllabus review
  - Lab upgradation and inclusion of more practical components
  - Establishment of a departmental library
  - Incorporation of sustainability and green engineering initiatives
  - Conducting feedback sessions with students, alumni, and industry representatives
- Dr. Sanjeev Gupta emphasized the importance of tracking the implementation of decisions taken in previous meetings.
- The minutes of the previous BoS meeting were reviewed and approved unanimously.

2. Discussion on Curriculum Revision and Updates

- Dr. Dharmendra Kumar Singh suggested incorporating emerging technologies like Electric Vehicle and Power Storage Technologies into the syllabus.
- Mr. Rajni Kant highlighted the need for more industry-relevant coursework and practical exposure.
- The committee agreed to form a subcommittee to explore the integration of these topics in upcoming revisions.

3. Review and Modifications Required in Existing Curriculum

Proposal-1:

- Mr. Suman Nikunj Mahto proposed adding practical components to **Generation Transmission & Distribution (2TDEX-404)** instead of **Entrepreneurship (2TDEX-405)**, as the former is a core subject.
- The proposal was unanimously accepted.

Proposal-2:

- Dr. Rajeev Ranjan Kumar recommended swapping **Electrical & Electronics Measurement and Measuring Instruments (2TDEX-304) of 3rd semester** with **Electrical Circuit (2TDEX-502) of 5th semester**, citing that the latter is a fundamental subject better suited for the 3rd semester.
- After discussion, the members agreed to implement this change.

Proposal-3:

- Mr. Avinash Kumar Singh proposed interchanging **Industrial Management (2TDEX-402) with Energy Conservation & Management (2TDEX-603)** to align with logical progression in learning.
- Dr. Sanjeev Gupta supported this, highlighting that early exposure to Energy Conservation would benefit students in later semesters.
- The proposal was approved.

DR. C.V. RAMAN UNIVERSITY VAISHALI BIHAR

Proposal-4:

- Mr. Suman Nikunj Mahto suggested modifying the syllabi of **Electrical Machine-I (3TBEX-302) and Electrical Machine-II (3TBEX-502)** by:
    - Including **DC Machines and Transformers** in Electrical Machine-I.
    - Including **Induction Machines and Synchronous Machines** in Electrical Machine-II.
- Dr. Dharmendra Kumar Singh and Mr. Balram Yadav endorsed this change for better comprehension and clarity.
- The proposal was approved.

4. Review of Academic Performance and Student Feedback

- Miss Pallavi Sahay presented student feedback reports, highlighting concerns regarding practical exposure and the need for more hands-on training.
- Dr. R. P. Gupta recommended increasing laboratory sessions and organizing industrial visits.
- The committee decided to collaborate with industries to facilitate guest lectures and workshops.

5. Discussion on Industry Collaborations and Internship Opportunities

- Mr. Avinash Kumar Singh proposed signing MoUs with leading electrical firms to facilitate student internships.
- Dr. Sanjeev Gupta suggested identifying industry partners for real-world projects and live case studies.
- The members agreed to set up a working group to identify and approach potential industry collaborators.

6. Any Other Points with the Permission of the Chair

- Mr. Kripa Shanker suggested initiating **faculty development programs** to enhance teaching methodologies.

Dr. C.V. RAMAN UNIVERSITY VAISHALI BIHAR

- Dr. Rajeev Ranjan Kumar recommended organizing **technical skill enhancement programs** for students to make them industry-ready.
- Both suggestions were well received and noted for future planning.

7. Conclusion of the Meeting

- Mr. Kripa Shanker thanked all members for their valuable inputs and active participation.
- The meeting was adjourned at 4:30 PM with a consensus to implement the approved proposals and continue discussions in subsequent meetings.

Agenda of the Meeting:

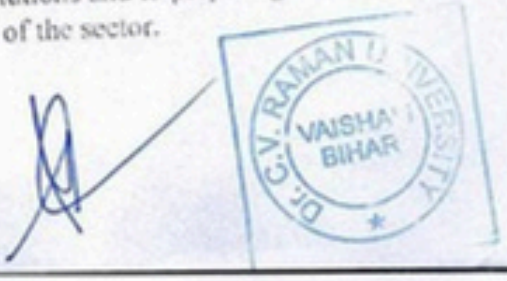
1. Proposal for implementation of Syllabus as per ICAR VIth Dean committee for B.Sc Agriculture Course.
2. To Consider and approve course program for M.Sc. Agronomy & M.Sc. Horticulture (Vegetable Science & Fruit Science)
3. To consider and approve admission guidelines and academic regulations for the proposed program, M.Sc. Agronomy and M.Sc. Horticulture.
4. To consider and approve the Departmental Academic Activity Calendar.

Following are the outcomes of the BoS meeting:

Agenda 1: Implementation of Syllabus as per ICAR VIth Deans' Committee for B.Sc. (Hons.) Agriculture Course

Mrs. Shalini Singh, Chairperson of the Board of Studies, proposed the proposal to implement the revised syllabus for the B.Sc. (Hons.) Agriculture course, based on the curriculum recommended by the VIth Deans' Committee of the Indian Council of Agricultural Research (ICAR).

She emphasized that the proposed curriculum is structured to strengthen students' academic foundation in agriculture while introducing them to practical and skill-oriented training. The new syllabus aims to bring uniformity across agricultural institutions and to prepare graduates with competencies relevant to the present and future demands of the sector.



She further explained that experiential learning modules, skill development courses, rural agricultural work experience (RAWE), and student READY programs are integral parts of the revised curriculum.

Following a thorough discussion and positive remarks by all members, the proposal was approved unanimously.

Agenda 2: Approval of Course Program for M.Sc. Agronomy and M.Sc. Horticulture (Vegetable Science and Fruit Science)

Mr. Amit Kumar Patel proposed the proposal to introduce and approve the course curriculum for two new postgraduate programs:

- **M.Sc. in Agronomy**
- **M.Sc. in Horticulture**, with specializations in **Vegetable Science** and **Fruit Science**

He elaborated that the curriculum for these programs has been carefully designed in accordance with the latest ICAR guidelines, industry relevance, and research orientation. Each program includes core courses, specialized electives, and a well-defined thesis component to promote critical research and field engagement.

Mr. Patel highlighted the need to prepare students for academic, research, and field-level positions, and mentioned the inclusion of modern tools and techniques in agronomic and horticultural practices.

The members discussed the course contents and appreciated the depth and clarity in the program structure. After no objections were raised, the **proposal was approved** by the board.

Agenda 3: Approval of Admission Guidelines and Academic Regulations for M.Sc. Agronomy and M.Sc. Horticulture Programme.

Mr. Amit Kumar Patel also put forward the proposal for the admission guidelines and academic regulations related to the above-mentioned postgraduate programs.

He presented a comprehensive overview of the proposed framework, which includes:

- Eligibility criteria and qualifying degree requirements
- Procedure for entrance test or merit-based admission
- Academic credit structure and grading system
- Internal and external evaluation procedures
- Guidelines for thesis submission, viva voce, and degree completion
- Attendance, discipline, and academic integrity clauses

The board members reviewed the draft regulations thoroughly. The external members suggested a few minor modifications in terminology and procedural clarity, which were accepted and incorporated.

Subsequently, the proposal was approved by all members.

Agenda 4: Approval of Departmental Academic Activity Calendar

Mrs. Shalini Singh, as both the Chairperson and Head of Department, proposed the proposal for the approval of the Departmental Academic Activity Calendar for the upcoming academic session.

She presented a semester-wise schedule outlining key academic and administrative activities including: Start and end dates of semesters, Mid-term and end-term examination schedules, Practical, fieldwork, and project timelines Departmental seminars, workshops, and National day celebrations like science Day, Earth Day, International Day of forest, World Water Day etc.

Mrs. Singh highlighted the importance of timely execution of academic tasks and stressed adherence to the calendar for academic discipline.

After reviewing the calendar and providing consensus on its feasibility, the proposal was approved by the board.

Conclusion:

The Chairperson extended her gratitude to all members, especially the external experts – Dr. Anil Kumar, Dr. Ashok Kumar Verma, and Dr. Satyendra Kumar – for their valuable contributions, constructive feedback, and support in decision-making.

All four proposals presented in the meeting were discussed, refined, and unanimously approved by the Board of Studies. The resolutions will now be forwarded to the Academic Council for further approval and implementation.

Discussion and Curriculum Review

The Board of Studies meeting commenced with a formal welcome by the Chairperson, Mrs. Shalini Singh who acknowledged the presence and contributions of all members, including the esteemed external subject expert.

The BoS members conducted a comprehensive review of the existing curriculum for all undergraduate and postgraduate programs offered under the Department of Life Sciences. The review focused on the structure, relevance, depth, and coherence of the current syllabi, keeping in mind:

- The implementation and alignment with the National Education Policy (NEP) 2020.
- The Choice Based Credit System (CBCS) framework.
- The need to integrate research-based learning, interdisciplinary approaches, and digital competencies.
- The suitability of the current curriculum for higher education pursuits, research, and employability.

Program-wise Observations and Discussion Points:

1. **B.Sc. Botany & M.Sc. Botany:**

- The curriculum adequately covers fundamental areas such as Plant Physiology, Genetics, Ecology, Taxonomy, and Molecular Biology.
- Practical components, including fieldwork and laboratory experiments, are well-designed and balanced.
- Faculty highlighted that elective papers like *Herbal Technology* and *Plant Biotechnology* have been positively received by students.
- The dissertation and seminar components at the PG level are functioning effectively in fostering research skills.

2. **B.Sc. Zoology & M.Sc. Zoology:**

- Core courses like Animal Diversity, Developmental Biology, Physiology, and Environmental Biology remain strong and relevant.
- Recent additions in *Wildlife Conservation* and *Animal Behavior* are appreciated by students and faculty alike.
- Practical work and project-based learning are successfully being implemented in both UG and PG programs.
- There was a suggestion to continue enhancing digital learning tools and virtual labs where applicable.

Approval by External Expert

The external expert, Dr. Satyendra kumar was actively involved in the review process and closely examined the curriculum structure, course outcomes, and content delivery methods across all four programs. The expert expressed appreciation for:

- The department's consistent efforts in curriculum enhancement.
- The inclusion of both theoretical and applied knowledge.
- The implementation of hands-on training, field exposure, and research orientation.

After thorough discussion and examination, the external member gave formal approval for the continuation of the existing curriculum without any modifications, stating that the current framework is well-aligned with academic best practices and national guidelines.

Conclusion

Following extensive deliberation, the Board of Studies unanimously agreed that:

- The current syllabus for B.Sc. and M.Sc. in Botany and Zoology remains highly effective in fulfilling the academic objectives and learning outcomes.
- No changes or updates are required at this stage.
- The department will continue to observe developments in biological sciences, policy changes, and stakeholder feedback to ensure relevance in future reviews.
- The existing curriculum will remain in effect for the upcoming academic session.

The Chairperson, Mrs. Shalini Singh concluded the meeting by expressing sincere thanks to all internal members and especially to the external subject expert for their valuable insights, constructive feedback, and formal approval of the curriculum. The meeting ended on a positive and forward-looking note, with appreciation for the department's continued pursuit of academic excellence.

All the nominated members of BOS were present in the meeting.

The Agenda for the meeting was based on the following points:

1. Discussion on Syllabus Review
2. Courses based on Employability
3. Initiation of new programme
4. Value Added Courses

Mr. Manoj Kumar, HOD and Chairperson of the meeting welcomed the guest experts and introduce them with team members.

In the starting of meeting, the last year syllabus revision and its implementation was discussed. The experts from outside discussed the current scenario of the Arts and Humanities and its various career prospects.

The chairperson briefed the members about the present syllabus and necessary implementation& requirements as per the feedback received from all the stake holders.

The meeting of board of studies was held on 22nd MarMRch 2025 at Bosch Room under the presidentship of Mr Manoj Kumar, HOD of the department of Arts & Humanities.
Most of the faculty members were present on this occasion. Respected members- Pofessor (Dr.)Rajkumar Singh professor of M.P science college Muzaffarpur.

Professor (Dr.) Anil Nath professor of Economics HOD PG department A.N College Patna

Mr Manoj Kumar HOD the department of Arts and Humanities Dr C.V Raman University Vaishali Bihar .

Professor (Dr.)Sudista Prasad Singh,HOD, the department of English Dr C V Raman University Vaishali, Bihar.

Mr. Abhishek Mishra assistant professor and HOD , the department Geography Dr. C .V Raman University Vaishali Bihar.

Dr Rudra Narayan Assistant professor and HOD the department of History, Dr C V Raman University Vaishali Bihar

Miss Farah Khan assistant professor in library Science and Mr Ashutosh Kumar assistant professor library Science.

And Mrs. Sonali Sinha, assistant professor in the department of English Dr CV Raman University Vaishali Bihar were present on the this occasion.

All the members discussed in detail and reviewed the present syllabus. They appreciated the syllabus of all the subjects of Arts and Humanities and expressed their views.

Dr Anil nath suggested the adoption of NEP if it is possible besides his views and opinions on different points. His suggestion is attached in this report. Dr Raj Kumar Singh Praised the syllabus & suggested some changes which are attached to the report. He pointed out that Sunderkand of Valmiki Ramayan is taught in UG & PG courses of English.

So, Arnyankand should be taught in UG department of English in place of Sunderkand. In British English the Sons and lovers of D.H Lawrence has been repeated in UG and PG. The Rainbow of D.H Lawrence should be placed in UG in place of Sons and lovers. Same is the case with APJ Abdul Kalams book the Wings of Fire which is taught in UG & PG. So his book My journey: Transforming Dreams into Action should be placed in the place of the Wings of Fire.

Professor Rajkumar Singh suggested some new courses to be added to the syllabus. He suggested and stressed the need of Artificial intelligence,Physical education,Professional and job oriented courses and other New courses.All the members present in the meeting agreed to the views and suggestions of the experts of the concern of subjects regarding the syllabus of different subjects of the Arts and Humanities of this university.

Some suggestions by Dr. Professor Anil Nath:-

1. Students in 6th semester must be given brief theoretical background of research methodology before being asked to write dissertation or project.
2. Generic elective course choices must be broadened by including other subjects of Humanities ,social science and Arts like Philosophy, Geography etc.
3. Core course in semester 6 and 5th must have a basket containing industrial economics /labour economics/ mathematical Economics apart from the agriculture economics.
4. National weightage in all the semesters must include seminars and guest lectures , work shop& FDP.

5. If possible, adopt the guidelines of NEP. the Three years UG course may kindly be changed to 4 year /8 semesters courses.
6. Project and Dissertation must be done on different aspects of our state of Bihar.
7. Applied economics must be included as a core course paper in any semester of postgraduate department.
8. Project dissertation given to student must be region specific or based on the different aspects of our state of Bihar.
9. Professional and vocational courses in form of certification courses(6 Months) diploma courses (1 year)etc must also be introduced for UG/PG students to make them more employable and marketable.

The board reviewed the scheme of examination, curriculam and syllabi of programmes/ examinations and No changes were suggested in the scheme and syllabi for the upcoming session.

Dr Shailaj Kumar Shrivasava as an external member attending the Board of Studies (BOS) meeting of the Physical Science faculty at **Dr. C.V. Raman University,** here are some potential advice and initiatives suggested.

1. Curriculum Revision: Recommend reviewing and updating the curriculum to ensure it aligns with industry needs, incorporates modern technologies, and reflects current research trends.
2. Interdisciplinary Collaborations: Suggest fostering collaborations between Physical Science departments (e.g., Physics, Chemistry, Mathematics) and other faculties (e.g., Engineering, Life Sciences) to promote interdisciplinary research and education.
3. Research Focus Areas: Advise identifying key research focus areas, such as materials science, renewable energy, or computational physics, to strengthen the faculty's research profile and attract funding opportunities.
4. Industry Partnerships: Recommend establishing partnerships with local industries, research institutions, and startups to provide students with hands-on experience, internships, and job opportunities.
5. Faculty Development: Suggest providing faculty members with opportunities for professional development, such as workshops, conferences, and training programs, to enhance their teaching and research skills.
6. Student Engagement: Advise initiatives to increase student engagement, such as research projects, science fairs, quizzes, and guest lectures, to foster a sense of community and curiosity among students.
7. Infrastructure Development: Recommend upgrading laboratory infrastructure, equipment, and software to provide students with modern tools and technologies, enhancing their learning experience and research capabilities.
8. Alumni Engagement: Suggest establishing an alumni network to connect with former students, promote their achievements, and encourage their participation in faculty activities, such as guest lectures and mentorship programs.

Some potential action items:
- Form a committee to review and revise the curriculum.
- Invite industry experts for guest lectures and workshops.
- Establish a research focus area and allocate resources accordingly.
- Develop a faculty development program.
- Organize student engagement activities, such as science fairs and quizzes.

4. Provide a comprehensive understanding of Vedic Mathematics and its applications.

Course Curriculum:
1. Introduction to Vedic Mathematics
2. Basic Principles and Techniques
3. Mental Calculation and Mathematical Reasoning
4. Applications of Vedic Mathematics in Algebra, Geometry, and Trigonometry
5. Advanced Topics in Vedic Mathematics

Mathematics Lab
Lab Name: Vedic Mathematics and Problem-Solving Lab
Objective: To provide a hands-on learning environment for students to practice and apply mathematical concepts, including Vedic Mathematics.

Lab Facilities:
1. Computers with mathematical software
2. Whiteboards and markers for problem-solving sessions
3. Printed and digital resources on Vedic Mathematics
4. Internet connectivity for online resources and research

Benefits for Students:
1. Develop problem-solving skills and mathematical reasoning abilities.
2. Enhance mental calculation and mathematical accuracy.
3. Gain a comprehensive understanding of Vedic Mathematics and its applications.
4. Improve academic performance in mathematics and related subjects.
5. Develop critical thinking and analytical skills.

Implementation Plan:

1. Develop the course curriculum and lab setup.
2. Identify and train faculty members to teach the course.
3. Promote the course and lab among students and faculty members.
4. Establish partnerships with institutions and organizations for resource sharing and collaboration.
5. Monitor and evaluate the course and lab's effectiveness.

By initiating this certificate course and establishing the Mathematics Lab, you can provide students with a unique opportunity to develop their mathematical skills and explore the fascinating world of Vedic Mathematics.

Prof Ajay kumar , member of B O S focus on academic activities like as science day, mathematics day, cultural activities, expert lecture in university

As a member of the Board of Studies (BOS), Prof. Ajay Kumar's focus on academic activities is commendable. Here's a breakdown of his initiatives:

Science Day Celebrations

- Organized events to commemorate National Science Day (February 28th)
- Conducted science quizzes, debates, and exhibitions to promote scientific awareness and curiosity among students
- Invited experts from renowned institutions to deliver lectures on cutting-edge scientific topics

Mathematics Day Celebrations

- Celebrated National Mathematics Day (December 22nd) with events and activities that highlighted the importance of mathematics in everyday life
- Organized mathematics competitions, puzzles, and brain teasers to engage students and promote problem-solving skills
- Invited mathematicians to share their research and experiences with students

Cultural Activities

- Organized cultural events, such as music, dance, and drama performances, to promote diversity and inclusivity on campus
- Encouraged students to participate in cultural competitions and festivals to showcase their talents
- Collaborated with other departments to organize joint cultural events and promote interdisciplinary interactions

Expert Lectures

- Invited experts from academia, industry, and research institutions to deliver lectures on topics relevant to students' academic and professional interests
- Organized workshops, seminars, and conferences to provide students with opportunities for networking and skill development
- Encouraged students to interact with experts and seek guidance on their academic and professional pursuits

Prof. Ajay Kumar's efforts to promote academic activities and cultural events have likely enhanced the overall educational experience for students at the university. His initiatives have:

- Fostered a culture of scientific inquiry and curiosity
- Promoted mathematical awareness and problem-solving skills
- Encouraged cultural diversity and inclusivity
- Provided students with opportunities for networking and skill development

By continuing to focus on these initiatives, Prof. Ajay Kumar can further enrich the academic environment and support the holistic development of students at the university.

Prof krishmandan kumar arise practical work of chemistry and physics

Prof. Krishnandan Kumar's emphasis on practical work in Chemistry and Physics is essential for students to gain hands-on experience and deepen their understanding of these subjects. Here are some potential ways to enhance practical work in Chemistry and Physics:

Chemistry Practical Work:

1. Experimental Design: Encourage students to design and conduct experiments to test hypotheses and investigate chemical phenomena.
2. Hands-on Laboratory Sessions: Provide regular laboratory sessions where students can perform experiments, collect data, and analyze results.
3. Instrumentation and Equipment: Ensure that students have access to modern instrumentation and equipment, such as spectrophotometers, chromatographs, and microscopes.
4. Project-Based Learning: Assign students projects that require them to apply chemical principles to real-world problems, such as environmental analysis or pharmaceutical development.

Physics Practical Work:
1. Experimental Investigations: Design experiments that allow students to investigate physical phenomena, such as motion, thermodynamics, or electromagnetism.
2. Data Analysis and Interpretation: Emphasize the importance of data analysis and interpretation in physics, using tools like graphs, charts, and simulations.
3. Simulations and Modeling: Utilize computer simulations and modeling to help students visualize and understand complex physical concepts.
4. Project-Based Learning: Assign students projects that require them to apply physical principles to real-world problems, such as designing a bridge or optimizing a solar panel.

Benefits of Practical Work:

1. Deeper Understanding: Practical work helps students develop a deeper understanding of chemical and physical concepts.

2. Development of Skills: Hands-on experience helps students develop essential skills, such as experimental design, data analysis, and problem-solving.

3. Improved Retention: Practical work can improve retention of concepts and principles, as students are more likely to remember experiences than lectures.

4. Preparation for Careers: Practical work prepares students for careers in science, technology, engineering, and mathematics (STEM), where hands-on experience and problem-solving skills are essential.

By emphasizing practical work in Chemistry and Physics, Prof. Krishnandan Kumar can help students develop a stronger foundation in these subjects, preparing them for success in their academic and professional pursuits.

After following dicision of the meeting at last chair person and H O D , Dr sushil kumar jamariar thanks to all the present member's for his contribution.

Conclusion of the Meeting

The meeting concluded with a vote of thanks from the Chairperson and HOD of Physical Science Faculty, **Dr. Sushil Kumar Jamariar**. He expressed his sincere gratitude to all the members present for their valuable contributions, active participation, and constructive suggestions.

Dr. Jamariar acknowledged the efforts of each member in making the meeting a success and reiterated the importance of teamwork and collaboration in achieving the faculty's goals. He encouraged the members to continue working together to implement the decisions made during the meeting and to strive for excellence in their respective areas.

With a sense of accomplishment and renewed enthusiasm, the members departed, looking forward to the next meeting and the opportunities it would bring for further growth and development.

Final proposal and aceptance of the meeting

After thorough discussions and deliberations, the meeting concluded with the following final proposal:

The Department of Physical Science proposes to:

1. Introduce a new certificate course in Vedic Mathematics.
2. Establish a Mathematics Lab to provide hands-on experience to students.
3. Organize regular academic activities, such as Science Day, Mathematics Day, and expert lectures.
4. Emphasize practical work in Chemistry and Physics to enhance student learning outcomes.

Acceptance:

The proposal was unanimously accepted by all members present, and the Chairperson, Dr. Sushil Kumar Jamariar, declared the meeting closed.

Action Plan:
The following action plan was outlined to implement the proposed initiatives:

1. The certificate course in Vedic Mathematics will be launched in the upcoming semester.
2. The Mathematics Lab will be established within the next three months.
3. The academic activities will be organized regularly, with the first event scheduled for the next month.
4. The emphasis on practical work in Chemistry and Physics will be implemented immediately.

With the acceptance of the proposal and the outlined action plan, the meeting came to a close, marking a significant step forward for the Department of Physical Science.
Dr dinesh singh advice in the meeting to change in sequence in the syllabus of B tech, and diploma of mathematics with adding lagarithm chapter in diploma engineering

Recommendation for Syllabus Revision

Dr. Dinesh Singh, a esteemed member of the faculty, suggested a revision in the syllabus of B.Tech and Diploma programs in Mathematics. He recommended a change in the sequence of topics to better align with the current industry needs and academic standards.

Specific Recommendation:

Dr. Singh proposed the addition of a new chapter on Logarithms in the Diploma Engineering Mathematics syllabus. He emphasized the importance of logarithmic concepts in various engineering applications and argued that its inclusion would enhance the students' problem-solving skills and analytical thinking.

Rationale:

Dr. Singh justified his recommendation by highlighting the following benefits:

1. Improved problem-solving skills: Logarithmic concepts are crucial in solving complex engineering problems, and their inclusion would help students develop stronger problem-solving skills.
2. Enhanced analytical thinking: Logarithms are used to model and analyze real-world phenomena, and their study would foster analytical thinking and critical reasoning among students.
3. Better alignment with industry needs: The inclusion of logarithmic concepts would align the Diploma Engineering Mathematics syllabus with the current industry requirements and standards.

Next Steps:
The recommendation was well-received by the members, and it was decided to:

1. Review the existing syllabus and identify areas for revision.
2. Develop a revised syllabus incorporating the recommended changes.
3. Submit the revised syllabus for approval to the relevant authorities.

Dr. Singh's recommendation is expected to enrich the mathematical foundation of Diploma Engineering students and better prepare them for the challenges of the engineering profession.

Final Decision of the Meeting
After thorough discussions and deliberations, the meeting concluded with the following final decisions:
1. Introduction of Certificate Course in Vedic Mathematics: The department will introduce a new certificate course in Vedic Mathematics, which will be launched in the upcoming semester.
2. Establishment of Mathematics Lab: The department will establish a Mathematics Lab to provide hands-on experience to students, which will be set up within the next three months.
3. Revision of B.Tech and Diploma Syllabus: The department will revise the syllabus of B.Tech and Diploma programs in Mathematics to include a new chapter on Logarithms in the Diploma Engineering Mathematics syllabus.
4. Emphasis on Practical Work: The department will emphasize practical work in Chemistry and Physics to enhance student learning outcomes.
5. Organization of Academic Activities: The department will organize regular academic activities, such as Science Day, Mathematics Day, and expert lectures, to promote academic excellence and student engagement.

The meeting concluded with a sense of accomplishment and a renewed commitment to academic excellence. The decisions made during the meeting are expected to have a positive impact on the department's academic programs and student outcomes.

Proposals Presented by Members

During the meeting, the following proposals were presented by members:

1. Dr. Dinesh Singh: Proposed the introduction of a new chapter on Logarithms in the Diploma Engineering Mathematics syllabus to enhance student learning outcomes.
2. Dr. Ajay Kumar: Suggested organizing regular academic activities, such as Science Day, Mathematics Day, and expert lectures, to promote academic excellence and student engagement.
3. Dr. Krishnandan Kumar: Proposed emphasizing practical work in Chemistry and Physics to enhance student learning outcomes and prepare them for real-world applications.
4. Dr. Sushil Kumar Jamariar: Suggested introducing a new certificate course in Vedic Mathematics to provide students with an alternative approach to mathematical problem-solving.
5. Prof. Ajay Kumar: Proposed establishing a Mathematics Lab to provide students with hands-on experience and enhance their mathematical skills.

These proposals were discussed and debated by the members, and the final decisions were made based on the consensus reached during the meeting.

The meeting was initiated by Dr. Sushil Kumar Jamariar, Chairperson of the Department of Physical Science, with a review of the previous meeting.

Review of Previous Meeting

Dr. Jamariar began by summarizing the key decisions and action items from the previous meeting, which included:

1. Introduction of new courses in emerging areas of physical science.
2. Revision of the department's research policy to encourage interdisciplinary research collaborations.
3. Organization of a national seminar on recent advances in physical science.

Dr. Jamariar requested the members to provide updates on the progress made on these action items and to discuss any challenges or concerns they may have encountered.

Agenda for the Current Meeting

After the review of the previous meeting, Dr. Jamariar presented the agenda for the current meeting, which included:

1. Discussion on the proposal for introducing a new certificate course in Vedic Mathematics.
2. Review of the department's academic programs and discussion on possible revisions.
3. Discussion on the organization of a Mathematics Lab to support student learning.

The members were invited to share their thoughts and suggestions on these agenda items, and the meeting proceeded with a discussion on the first item.

Meeting ended with the vote of thanks to all the members who were present in the meeting.

BOARD OF STUDIES MEETING INVITATION

Respected sir,

Department of Civil Engineering – Board of studies meeting which has been scheduled on **11th March 2025** at 10:30 AM in Meeting hall, Dr. C.V.Raman University, Vaishali, Bihar.I would like to invite you for all BOS meeting to give your valuable suggestion on our curriculum and syllabus.

The Agenda for the meeting was based on the following points:

1. Discussion on AICTE Model curriculum and Syllabus
2. Discussion on Syllabus Review
3. Courses based on Employability
4. Initiation of new program

The Members of the board are requested to attend the meeting.

MINUTES OF THE MEETING OF THE BOARD OF STUDIES

FACULTY OF ENGINEERING & TECHNOLOGY

DEPARTMENT OF CIVIL ENGINEERING

TUESDAY, 11th of MARCH 2025

at

Dr. C.V. Raman University, Vaishali.

The following members attended the meeting:

S. No	Name	Designation
1	Mr. Shantnu	Chairperson
2	Dr. Kapil Soni	University Nominee
3	Mr. Mithlesh Kumar Jha	External Member
4	Mr. Abhishek Kumar	Member
5	Mr. Onkar Sharad	Member
6	Mr. Kumar Shanu	Member
7	Mr. Avinash Kumar	External Member

All the nominated members of BOS were present in the meeting.

The Agenda for the meeting was based on the following points:

- **Discussion on AICTE Model curriculum and Syllabus.**
- **Discussion on Syllabus Review.**
- **Courses based on Employability.**
- **Initiation of New Program.**

Mr. Shantnu, HOD and Chairperson of the meeting welcomed the guest experts and introduce them with team members.
In the starting of meeting, the last year syllabus revision and its implementation was discussed. The expert from outside have discussed the current scenario of the Civil Engineering and its various career prospects.

During the meeting, following points were discussed:

1. Model AICTE
2. Syllabus Review

The chairperson briefed the members about the present syllabus and necessary implementation requirement as per the feedback received from all the stake holders.
The board reviewed the scheme of examination, curriculum and syllabi of programmes/ examinations and following changes were suggested in the scheme and syllabi for the upcoming session. The subject expert Mr. Mithlesh kumar Jha suggested to give weightage to earthquake resistant structure in the syllabus. Industry Expert Mr. Avinash kumar shared his view regarding the current requirement of the companies and the skills which are essential for the fresher students for their employability.
The board members have given the suggestion on the present syllabus and decided the following points to be implemented in the syllabus:

- **In B. Tech Civil Engineering, following changes in courses were proposed :**

1. Arrangement of topics in proper sequence and adding required topics in BC&EM of 1st Sem.
2. Arrangement of topics in proper sequence and adding required topics in B.M.C of 3rd Sem.
3. Arrangement of topics in S.O.M. and adding some important topics into the syllabus of 3rd Sem.
4. Changing the subject **Construction Technology to Concrete Technology** which is required in today's scenario. Most topics of existing syllabus is part of B.M.C.
5. Remapping and arrangement of topics in proper sequence of Structure Analysis-I and Structure Analysis-II of 4th sem and 5th sem.
6. **Separating the subject Irrigation Engineering & Hydrology (3TBCE-505) of 5th sem into two separate subjects Engineering Hydrology (3TBCE-505) in 5th sem and Irrigation Engineering (3TBCE-602) in 6th sem** with complete syllabus required. Existing subject Irrigation engineering & Hydrology (3TBCE-505) of 5th sem nor complete the demand of irrigation or the hydrology.
7. Arranging the topics structural design and drawing-I (R.C.C.) of 5th sem in proper sequence and adding some important topics which were missing.
8. Removing the subject Water Supply & Waste water Engineering (3TBCE-602) whose topics are in the existing syllabus of different subject. Irrigation Engineering (3TBCE-602) separated from Irrigation engineering & Hydrology (3TBCE-505) of 5th sem should replace it.
9. Removing the topics of Environmental Engineering-II (3TBCE-703) of 7th Sem which are already taught in different subjects and adding the topics from Water Supply & Waste water Engineering (3TBCE-602) in it.

➢ **In Diploma Civil Engineering, following changes in courses were proposed:**

1. In Environment Engg. & Safety(2TDDE-104) unit -3 has been removed with soil pollution as per requirements.
2. In syllabus of Structural design & drafting – I (R.C.C) (2TDDE-504), the whole new syllabus as per requirement of present scenario is proposed.

>>>>>The detailed implementation/ changes in the programme is given in Annexure-I

2. Courses based on Employability

It is also suggested to implement skill based course of each programme with more weightage in the curriculum.

3. To initiate new programme/s

The Chairperson briefed the members about the possible implementation of new programme in the department for coming academic year. It was suggested to find the possibility of starting demanding programs like B. Tech in Civil Engineering with specialization in Construction Management and B. Tech in Civil Engineering with specialization in Concrete Technology.

4. Value Added Courses

It is also decided in the meeting that the department should initiate and look for value added certificate courses as per the need of the society. So the following courses discussed to initiate:

a. Surveying
b. Billing
c. Designing with CADD.

Meeting ended with the vote of thanks to all the members who were present in the meeting.

Published Ordinance no. 4 (Examination General) & Ordinance no. 5 (Conduct of Examination)

DR.C.V.RAMAN UNIVERSITY, VAISHALI (BIHAR)

ORDINANCE NO. 04

PART - I

EXAMINATIONS GENERAL

1. In this Ordinance and in all Ordinances and Regulations laying down conditions for appearing in an examination of the University for a Degree or a Diploma, either generally or for a particular examination, unless there is anything repugnant in the subject or context:

1.1 "Regular Candidate" is a person who is pursuing a course in the University Teaching Department (UTD) including those opting for On Line education, or a University Institution and seeks admissions to an examination of the University as such.

1.2 "Ex-student Candidate" means a person who was admitted to an examination as a regular candidate and was not declared successful there-at or was not able to appear in the examination; though admission card was correctly issued to him by the university and seeks admission again to the said examination.

1.3 "Failed Candidate" is a person who has failed in any of the theory paper or in any other part of the examination.

1.4 "Registration Period" means the period for which a candidate's Registration / Enrolment is valid.

1.5 "Forwarding Officer" means any person authorized by the Registrar of the University.

1.6 "Attested" means attested by the forwarding officer.

1.7 "Private Candidate" is one who is seeking admission to the University Examination not as a regular candidate or an ex-candidate.

PART - II

ADMISSION OF VARIOUS CATEGORIES OF STUDENTS TO UNIVERSITY EXAMINATION

2. No candidate shall be permitted to appear in the university examinations unless he/she is duly registered / enrolled with the university.

3. Filled up examination forms of all the candidates with the complete examination fees shall be forwarded by the head of the institution so as to reach to the designated person in the University on or before the last date prescribed for the purpose by the university. It will be the responsibility of the head of the institution to see that the candidate possesses minimum academic qualifications for appearing in the examination, has fulfilled, attendance norms and is of good conduct.

4. The head of the institution or the Registrar of the university can detain a candidate from appearing in an examination if he/she has not paid full dues of the university.

5. An ex-student shall submit his examination form in prescribed format on or before the last date notified by the university to the concerned head of the institution who will forward it to the designated centre after due verification.

5.1 An ex-student candidate shall offer the same subjects or optional papers which he had previously offered as a regular candidate, the changes in scheme of examinations by the university not-with-standing.

6. A Private candidate seeking permission for admission to an examination of the university shall apply to the registrar on or before the last date notified by the university in the prescribed form the candidate shall submit with his application the attested copy of the mark sheet of qualifying examinations.

7. In case a private candidate having Practical subjects- He / She should attend the practicals at respective department or at a designated centre of the University.

8. For private candidates, University shall arrange classes/assignments and continuous comprehensive examination (CCE), i.e., internal assessment and project

DR. C.V. RAMAN UNIVERSITY VAISHALI BIHAR

assessment. Fees for this purpose will be additionally charged from the student as decided by the University. A private candidate may also appear in walk-in examination conducted by the University provided he/she fulfils all other eligibility conditions as prescribed.

9. Application submitted by regular candidates together with the examination fee and marks fee shall be forwarded by the Head of the Institution / Head of the University Teaching Department or School of Studies so as to reach the Registrar on or before the last date prescribed for the purpose by the University.

9.1 In case of each application, the Head of the Institution / Head of the University Teaching Department or School of Studies shall certify that the candidate:

PART - III

GENERAL CONDITIONS

12. Where there are Two or Three examinations for any degree such as Year I, II and III or Previous and Final examinations and there are Two or more alternative subjects/courses for such a degree a candidate for the degree must take the same subject/ course in Year-III/Final examination as he has taken in the Year-II/ Previous Examination.

13. No candidate shall appear in more than one-degree examination or post graduate degree examination in one and the same year. However a Degree and a Diploma can be taken up together.

14. A Candidate who has passed the- Bachelor's Degree Year-I or Year- II Examination or the Previous Examination for a Master's Degree of another University may with the permission of the Vice Chancellor, be admitted to the next higher examination of the University for the degree concerned provided the course offered by the candidate at such other University is equivalent to the course of the University for the corresponding examination.

15. No person who has been expelled or rusticated from the University or has been debarred from appearing at University examination shall be admitted to any examination during the period for which the sentence is in operation.

16. Not withstanding anything contained in the Ordinances relating to admission of candidates to an examination of the University, the Vice Chancellor may, in special cases in which he is satisfied that the delay in submitting the application for admission to an examination is not due to lack of diligence on the part of the candidate and that it would be a great hardship to the candidate if his application

Dr. C.V. RAMAN UNIVERSITY VAISHALI BIHAR

is rejected, allow an application which is otherwise complete in all respects to be entertained with the requisite late fees.

17. The Controller of Examination shall issue an admission card in favour of a candidate, if :

17.1 The application of the candidate is complete in all particulars in accordance with the provisions applicable, and is in order.

17.2 The candidate is eligible for admission to an examination and the fees as prescribed have been paid by the candidate.

17.3 Where the practical examination is held earlier than the examination in theory papers a candidate shall not be deemed to have been admitted to the examination until he is issued an admission card for appearing in the examination.

17.4 The admission card issued in favour of a candidate and also the permission given to a private candidate to appear at an examination may be withdrawn, if it is found that-

17.4.1 The admission card was issued or permission was given through mistake, or the candidate was not eligible to appear in the examination.

17.4.2 Any of the particulars given or document submitted by the candidate in or with the application for enrolment, admission to a University Teaching Department or Institutions for admission to an examination is false or incorrect.

17.5 The Controller of Examination may, if he is satisfied that an admission card has been lost or destroyed, grant a duplicate admission card on payment of a further fee as decided by the University. Such card shall show in a prominent place the word "DUPLICATE".

18. A candidate shall not be admitted into the examination hall unless he produces the admission card before the superintendent of the examination centre or the invigilator or satisfies such officers that it shall he produced.

19. A candidate shall produce his admission card whenever required by the Superintendent or the invigilator.

19.1 In the Examination hall the candidate shall be under the disciplinary control of the Superintendent of the. Centre and he shall obey his instructions. In the event of a candidate disobeying the instructions of the Superintendent or showing

DR. C.V. RAMAN UNIVERSITY VAISHALI BIHAR

indiscipline conduct or arrogant behaviour towards the Superintendent or any invigilator, the candidate may be excluded from that day's examination and if he persists in misbehaviour he may be excluded from the rest of the examinations by the Superintendent of the Centre.

19.2 If a candidate acts in a violent manner or uses force or makes a display of force towards the Superintendent or any invigilator at the centre or in its precincts endangering the personal safety of either of them or acts in a manner likely to obstruct the authorities in the discharge of their duties, the superintendent may expel the candidate from the centre and he may take police help.

19.3 If a candidate brings any dangerous weapon within the precincts of the examination centre, he may be expelled from the centre and/ or handed over to the police by the superintendent.

19.4 A candidate expelled on any of the grounds mentioned in (b) or (c) above will not be allowed to appeal' in the subsequent papers.

19.5 In every case where action is taken by the Superintendent under (19.1), (19.2) or (19.3) above a full report shall be sent to the Registrar and the Board of Management may according to the gravity of the offence, further punish a candidate by cancelling his examination and/or debarring him from appearing at any of the examinations of the University for one or more years after giving the candidate an opportunity to show cause and considering any explanation submitted by the candidate.

19.6 If a candidate is found guilty of using or attempting to use or having used unfair means at an examination such as copying from some book or notes or from the answer of some other candidate or helping or receiving help from any other candidate or keeping with him the examination hall material connected with the examination or in any other manner whatsoever, the Vice Chancellor may cancel his examination and also debar him from appearing at any of the examinations of the University for one or more years according to the nature of the offence.

19.6.1 The Board of Management may cancel the examination of a candidate and/or debar him from appearing at an examination of the University for one or more years if it is discovered afterwards that the candidate was in any manner guilty of misconduct in connection with his examination and/ or

DR. C.V. RAMAN UNIVERSITY VAISHALI BIHAR

was instrumental in or has abetted the tempering of university records including the answer books, mark-sheets, result charts, diplomas and the like.

19.6.2 The Board of Management may cancel the examination of a candidate and / or debar him from appearing at an examination of the University for one or more · years, if it is discovered afterwards that the candidate had obtained admission to the examination by misrepresenting facts or by submitting false or forged certificate/documents.

20. A candidate who due to sickness or other cause is unable to present himself/herself at an examination shall not receive a refund of his fee, provided that the Vice Chancellor may in a case in which he is satisfied about the genuineness, or merit of it, order for adjustment of the following portion of the fee towards the immediately next examination:

20.1. Examination Fee:

Other fees paid by the candidate shall lapse to the University. Application for such adjustment from a candidate accompanied by a Medical Certificate of illness if applicable must be sent so as to reach the Registrar not later than 30 days from the date of commencement of the examination at which the candidate was to appear.

20.2 Provided, however, that a candidate shall not be entitled to the adjustment of examination fee mentioned in foregoing paragraph if he/she changes the faculty or his subject in case of a Post Graduate Examination.

20.3 The examination fee of a candidate who dies before appearing at the examination may be refunded in full to his guardian or his successor.

20.4 The entire fees paid by a candidate whose application for appearing at an examination is cancelled on account of producing fraudulent documents or giving false particulars shall stand forfeited.

21. Any candidate who has appeared at an examination conducted by the University may apply to the Registrar for the re-totalling of his marks in the written papers in any subject and rechecking of his result. Such application must be made so as to reach the Registrar within 10 days of the publication of the result of the examination.

21.1 Such application must be accompanied by fee as per schedule given in the University Rules. In P.G. Exams re-totalling of only one subject would be permitted.

21.2 The result of the re.totalling shall be communicated to the candidate.

21.3 If as a result of re.totalling it is found that the examinee should be declared as having passed or placed in a higher division the result of the candidate shall be revised accordingly.

22. A candidate whose result has been declared may apply to the Registrar in the prescribed form within Ten Days of the declaration of his result for the revaluation of any answer books.

22.1. Provided that no candidate shall be allowed to have more than Two Answer Books re-valued.

22.2 Provided also that no revaluation shall be allowed in case of scripts of practical, field work sessional work, tests and thesis submitted in lieu of a paper at the examination.

22.3 The fee for revaluation shall be as per the University Rules.

23. No person who is under sentence of expulsion or rustication from a University Teaching Department, School of Studies or College or is debarred from appearing at examination of the University for any period of time shall be granted a Migration Certificate during the period for which the sentence is in operation.

24. Duplicate copies of Marks Sheet and Migration Certificate certificates shall be granted on payment of the fee as per University Rules.

24.1 Provided further that duplicate copy of Migration Certificate shall not be granted except in cases in which the Registrar is satisfied by the production of an affidavit on a stamped paper of proper value required by Law for the time being in force that the applicant has not utilized the Original Migration Certificate for appearing at an examination and has lost the same or that the same has been destroyed and that the applicant has real need for a duplicate.

25. The names of first ten successful candidates in each examination who obtain first division shall be declared in order of Merit for each class/subject as the case may be.

DR. C.V. RAMAN UNIVERSITY KHUSHA BIHAR

26. The Vice Chancellor may award five grace marks in case the candidate is failing by five marks or missing a division by one mark.

PART-IV

EXAMINATION FEES

27. The examination fees for various courses under Semester System Examination pattern shall be as per the prescribed norms of the University.

28. The Board of Management of the University can change fees of any program or conditions for the examination Clause (1 to 27) as and when the situation so warrants.

DR.C.V.RAMAN UNIVERSITY, VAISHALI (BIHAR)

ORDINANCE NO. 05

CONDUCT OF EXAMINATIONS

1. All arrangements for the conduct of examinations to be held by the University shall be made by the Controller of Examinations in accordance with such directions as may be issued by the Board of Management.

2. The Controller of Examinations shall prepare and duly publish a program for the conduct of examinations specifying the date of each Examination and the last dates by which applications and fees for examinations shall be submitted by the intending examinees.

3. Vice Chancellor shall in consultation with the Head of the Institution / Department appoint Superintendents and Assistant Superintendents, if any, for the Examination Centre and shall issue instructions for their guidance. Online examination as well as practicals can be conducted after approval of BoM and GB. The examination centre shall be created by the University.

3.2 The superintendent shall supervise the work of invigilators working under him and shall conduct the examinations strictly according to the instructions issued to him by the University.

3.3 The Superintendent of the Examination shall, whenever necessary send a confidential report to the Controller of Examinations about the conduct of examination, mentioning therein the performance of the invigilators and the general behaviour of the examinees. He shall send a daily report on the number of examinees attending each examination, absentees roll numbers and such other information relating to the examination being held at the centre as may be considered necessary, along with any other matter which he thinks fit to be brought to the notice of the University. He shall also be responsible for maintenance and

DR. C.V. RAMAN UNIVERSITY VAISHALI BIHAR

submission to the CFAO of the University of the account of advance money received and expenditure incurred in connection with the conduct of the examinations.

3.4 The Centre Superintendent shall have the power to expel, an examinee, from examinations on subsequent examination days, on any of the following grounds:

3.4.1 That the examinee created a nuisance or serious disturbance at the Examination Centre.

3.4.2 That the examinee showed a seriously aggressive attitude towards an invigilator or a member of the staff entrusted with the examination work.

3.4.3. If necessary, the Superintendent may get police assistance. Where a candidate is expelled, the Controller of Examinations shall be informed immediately.

3.5 Unless otherwise directed, only teachers of University Teaching Departments and Schools of Studies shall be appointed as invigilators by the Superintendents. Invigilators can also be drawn from other educational institutions.

4. It shall be the duty of the Centre Superintendent to ensure that an examinee is the same person who had filled in the form of application for appearing at the examination. It shall be the duty of the Centre Superintendent to see that on each day on which a candidate appears in the examination his signature is obtained on the form and to make sure that it tallies with the one already on it.

5. The Controller of Examinations may, on the recommendation of the Centre Superintendent appoint an alternative person to write down dictation pertaining to answers to questions at the examination on behalf of an examinee who is unable to write himself /herself on account of severe short sightedness or sudden illness (Must be supported by a certificate issued by a Medical Officer), provided that such an alternative person shall be a man/woman possessing qualification of at least one class examination lower than the examinee concerned.

6. The Vice Chancellor may cancel an examination if he is satisfied that there has been a leakage of question papers or any other irregularity which warrants such a step.

DR. C.V. RAMAN UNIVERSITY VAISHALI BIHAR

7. The Vice-Chancellor may issue such General Instructions for the guidance of the Examiners, Centre Superintendents, Tabulators, Collators, as he considers necessary for the proper discharge of their duties.

8. Subject to the provision of this Ordinance, the Board of Management may from time to time make, alter or modify rules and procedures about the conduct of examination.

9. The Results Committee for each faculty shall consist of the following:

(i)	Vice Chancellor	:	Chairman
(ii)	Dean of the Faculty	:	Member
(iii)	Registrar	:	Member Secretary

9.1 Two members shall form the Quorum,

9.2 The term of the Results Committee shall be one academic year.

9.3 The functions of the Results Committee shall be as follows:

9.3.1 To scrutinize and pass the results of the examinations conducted by the University after satisfying itself that the results on the whole and in various subjects are in conformity with the usual standards and to recommend to the Vice-Chancellor the action to be taken in case the result is unbalanced.

9.3.2 To scrutinize complaints against question papers and to take necessary action.

9.3.3 To decide cases of candidates who answered wrong paper.

9.3.4 To decide cases of candidates whose answer books were lost in transit.

9.3.5 To decide cases of mistakes made by the paper-setters, Moderators, Examiners, Invigilators, Superintendents of the Examination Centres, Tabulators, Collators, Coordinators and any other person concerned with the examinations whose cases are referred to the Committee.

9.3.6 To exercise such other powers as the Board of Management may delegate to it from time to time.

DR. C.V. RAMAN UNIVERSITY VAISHALI BIHAR

10. The Vice.Chancellor shall appoint Tabulators and Collators as necessary and he may issue general instructions for the guidance of tabulators in preparing the results of the examination.

11. If a candidate has any communication to make on the subject of his/her examination paper, it shall be made in writing to the Controller of Examinations direct.

12. Any attempt made by or on behalf of a candidate to secure preferential treatment in the matter of his / her examination shall be reported to the Controller of Examinations who shall place the matter before the Board of Management.

13. Except as otherwise decided by the Board of Management, the examination answer books and the documents regarding the marks obtained by the examinees, except the tabulated results, shall be destroyed or otherwise disposed off after 6 months from the date of declaration of the results.

14. The Registrar will publish the results of the University examinations as passed by the Results Committee on the notice board of the office of the University. The results, when published, shall simultaneously be communicated to the Heads of Institutions and the Schools of Studies. If any clerical error or error in the process of calculation or computerization is discovered in the results so declared, the Vice Chancellor shall have the power to rectify the same.

15. The remuneration of the Examiners, Superintendents, Assistant Superintendents, Invigilators, Tabulators and Collators and the deductions to be made in remuneration for errors noticed shall be decided by the Board of Management from time to time.

16. No examinee shall leave the examination hall within one hour of the start of the examination for any purpose whatever and no late comer will be permitted in the examination hall after half an hour of its commencement.

17. Examinees desirous of leaving the examination hall temporarily shall be permitted to do so for a maximum period of 5 minutes.

8.	Mr. RAUSHAN KUMAR	Member
9.	Mr. PENTAR KUMAR	Member
10.	Mr. BRAJESH KUMAR	Member

The following points were discussed and finalized in 5th BOS meeting.

Dr. C.V. RAMAN UNIVERSITY VAISHALI BIHAR

Item No. BOS 4:01	Confirmation of minutes of meeting and action taken report of Previous meeting held at HOD Office.
Resolution	Chairman BOS read out the minutes of meeting & action taken report of Previous meeting and requested to members to confirm the same. The minutes were confirmed unanimously.
Item No. BOS 4:02	Discussion and Approval of Syllabus structure w.e.f. AY 2023-2024 as per NEP guidelines.
Resolution	The new syllabus structure for the academic year 2023-2024, in alignment with the National Education Policy (NEP) guidelines, was discussed in detail. The Chairperson, Mr Sanjeet Kumar proposed a curriculum framework for the Second year of the B. Tech. program, which was established based on the suggestions of subject specialists and in alignment with the objectives of NEP 2020. The members conducted a comprehensive analysis of the proposed course plan, with a particular focus on the core subjects, elective options, credit distribution, and evaluation techniques. The members submitted several proposals and adjustments to improve the framework of the program. To tackle these issues and get a unanimous agreement, the chairman supervised a comprehensive deliberation. The external members suggested incorporating some management courses into the curriculum, considering the requirements of the industry for productivity and the necessity of meeting deadlines.
Item No. BOS 4:03	Discussion and Approval of activities that will be conducted in 2023-24
	Proposed activities for the academic year 2023-24, including workshops,

	seminars, and industrial visits, were discussed. Mr. Nishant Kumar, the industry representative, suggested organizing more hands-on workshops that focus on the latest technological advancements and industry trends. He emphasized the importance of exposing students to real-world applications and practical skills. Mr. I also recommended collaborations with local industries for internships and live projects, which would provide students with valuable industry experience and enhance their employability. Additionally, he proposed guest lectures by industry professionals to bridge the gap between academic knowledge and industry requirements. The committee approved the activities with the inclusion of Mr. Rishu Kumar suggestions, aiming to enhance student engagement and learning outcomes through increased industry interaction.
Item No. BOS 4:04	**Discussion on measures to improve teaching and learning methods.**
	Various strategies to improve teaching and learning methods were discussed. These included incorporating more interactive teaching tools, increased use of digital resources, and continuous assessment techniques. The committee agreed to implement several new methods and regularly review their effectiveness.
Item No. BOS 4:05	**Any Other Subject with the Permission of the Chair**
	During this segment, additional topics were brought up for discussion: **Criteria for Minor Degree**: Anand Kumar and Abhay Kumar raised the issue of establishing clear criteria for students pursuing a minor degree.

	They discussed the need for defining eligibility requirements, course selections, and assessment methods for the minor degree. **Selection of NPTEL Courses**: Ankit Kumar and Anand Kumar also suggested providing guidelines for students selecting NPTEL (National Programme on Technology Enhanced Learning) courses. They recommended creating a list of approved courses that align with the department's curriculum and learning objectives. **Resolution by Anand Kumar:** Mr. Sanjeet Kumar addressed the concerns raised about the criteria for the minor degree and the selection of NPTEL courses. He proposed a draft detailed guidelines for both issues. **Industry-Academia Collaboration**: Mr. Nishant Kumar reiterated the importance of strengthening industry-academia collaboration through joint research projects, consultancy, and establishing industry-sponsored labs. This would provide students with practical exposure and enhance their understanding of industry requirements. These suggestions were noted for further discussion and potential implementation in future meetings.

The meeting concluded with a vote of thanks to all members for their participation and valuable contributions. The next meeting date will be decided and communicated in due course.

5) Approval of any other item with the permission of the chairman.
6) Vote of Thank.

The Board of Studies Members Resolved and Approvals given:

- **AGENDA 1: To read and confirm the minutes of third meeting of BOS, Civil Engineering**

  The minutes of third BOS meeting held on 11/03/2022 in Hybrid mode was discussed and confirmed by all the members.

- **AGENDA 2: To note and discuss the modified constitution of Board of Studies Civil Engineering.**

  In Civil Engineering Department ,no faculty member is left or joins the department/college; hence BOS constitution is same as previous year BOS constitution.

- **AGENDA 3: Appraisal on Teaching, Research, Extension and other Academic Activities, Achievements of the Department:**

  (a) **Implementation of Teaching, Learning and Evaluation Process**: Members were apprised of the workload distribution, time tables, teaching plan and schedules. The members have appreciated the good practices followed by the department in conducting diagnostic test, formative tests, remedial and reinforcement classes as well as offering of the necessary add-on courses.

(b) **Research and Consultancy**: Members were apprised of the Research Initiatives at the Departmental level. They suggested certain thrust areas in which research proposals may be sent to the funding agencies. Construction Technology and surveying was the proposed thrust area.

(c) **Extension Activities:** Members were informed about the students' active participation in various extension activities like NSS, blood donation camps, outreach activities, American Society of Civil , Student Chapter activities, etc.

(d) **Faculty Development Activities:** Members noted the numbers of publications and paper presentations by the members of the faculty. Also they were informed of the incentives given by the Management for their academic achievements. The faculty members are advised to publish only in reputed refereed journals having good impact factor.Members were apprised of the faculty who had attended and organized the Faculty Development Programmes.

(f) **Student Development Activities**: Members were informed about equity action plan & remediation, guest/expert lectures, industrial/site visits organized by the Department for the benefit of students. Members were apprised the prizes, awards and recognitions achieved by the students both in co-curricular and extra-curricular activities. Members have expressed their satisfaction regarding the student development activities.

(g} **Student Support Systems:** Members took note of the counseling mechanisms followed for overall improvement of the students and also the Campus Placement Related Skills (CPRS} and personality development programme conducted for better performance in placement related activities.

(h) **Achievements of the Department**: Members were apprised the achievements of the department.

- **AGENDA 6: Suggestions & Recommendation of BOS members**

External Members emphasize on speeding up the Lab set up process so that students can take benefit of the newly setup labs

- **AGENDA 7: Any other Agenda with the permission of the chairman**

  University Nominee has told the department to work on MOU's with different companies for better Industry Academia Collaboration.

- **AGENDA 8: Vote of Thanks**

The meeting ended with a vote of thanks by Chairman Mr. Shantnu to all the members for giving their valuable insights.

All the nominated members of BOS were present in the meeting.

The Agenda for the meeting was based on the following points:

- Review and Implementation of Last Year's Curriculum Upgrades
- Introduction of Advanced Lab Facilities and Emerging Technology Modules
- Strengthening Industry-Academia Collaboration and Internship Programs
- Promoting Research, Innovation, and Start-Up Culture among Students
- Faculty Development Programs on Emerging Technologies and Teaching Methodologies
- Enhancing Student Skill Development through Workshops, Certifications, and Hackathons

The meeting commenced with Mr. Deepak Kumar, HOD and Chairperson of the meeting, welcoming the guest experts and introducing them to the team members. The agenda for the meeting was based on the following points:

Agenda 1: Review and Implementation of Last Year's Curriculum Upgrades

- ✓ The committee reviewed the implementation of last year's curriculum upgrades for the CSE programs.
- ✓ Feedback from faculty and students was discussed, and minor adjustments were proposed to further align the curriculum with industry standards and emerging trends.

Agenda 2: Introduction of Advanced Lab Facilities and Emerging Technology Modules

- ➢ The committee discussed the introduction of advanced lab facilities, including new software, hardware, and tools for practical learning.
- ➢ Emerging technology modules, such as AI, Machine Learning, IoT, and Blockchain, were proposed for integration into the curriculum.
- ➢ A timeline for the implementation of these modules and lab upgrades was agreed upon.

Agenda 3: Strengthening Industry-Academia Collaboration and Internship Programs

- ✓ The committee emphasized the importance of strengthening ties with industry partners through MoUs, guest lectures, and collaborative projects.
- ✓ Strategies to enhance internship opportunities for students were discussed, including the creation of a dedicated placement and internship cell.
- ✓ A proposal to organize industry visits, networking events, and career fairs was approved.

Agenda 4: Promoting Research, Innovation, and Start-Up Culture among Students

- ✓ The committee discussed initiatives to promote research and innovation, such as setting up a dedicated research cell and encouraging participation in conferences and journals.
- ✓ Plans to foster a start-up culture among students, including organizing hackathons and providing mentorship, were proposed.
- ✓ A proposal to establish an innovation lab for student projects was approved.

Agenda 5: Faculty Development Programs on Emerging Technologies and Teaching Methodologies

- The committee emphasized the need for faculty development programs to keep educators updated on emerging technologies and modern teaching methodologies.
- Proposals for workshops, training sessions, and certifications for faculty members were discussed and approved.
- A plan to encourage faculty participation in research and industry collaborations was also discussed.

Agenda 6: Enhancing Student Skill Development through Workshops, Certifications, and Hackathons

- The committee discussed initiatives to enhance student skill development, including organizing workshops, certification programs, and hackathons.
- Plans to collaborate with industry experts and online platforms for skill-based training were proposed.
- A proposal to introduce a skill development calendar for the academic year was approved.

The meeting concluded with Mr. Deepak Kumar thanking all participants for their valuable contributions and insights.

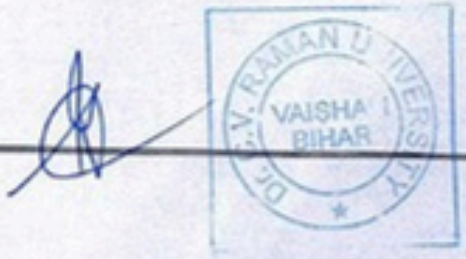
Proceedings:

The meeting commenced with a welcome address by Mr. Kripa Shanker, Chairperson of the Board of Studies. He highlighted the objectives of the meeting and the importance of updating the curriculum to stay aligned with modern engineering practices.

During the meeting, following points were discussed:

1. **Discussion on Syllabus Review:**
   - The Chairperson initiated the meeting with a detailed presentation on the current syllabus for both B.Tech. and Diploma programs and initiated a discussion on the need for updates to incorporate recent technological advancements.
   - Dr. Rajeev Ranjan Kumar proposed the inclusion of courses on emerging technologies like IoT, renewable energy, and AI applications.
   - Mr. Vikash Kumar Singh suggested restructuring the power systems course to include smart grid technologies.
   - Dr. Rajeev Ranjan Kumar recommended integrating microcontroller-based projects into the final year syllabus.
   - Dr. Sanjeev Gupta suggested to streamline overlapping topics and update course content to align with industry demands.
2. **Review of Lab and Practical Components:**
   - Mr. Vikash Kumar Singh presented a report on the current lab facilities and practical components.
   - Mr. Avinash Kumar Singh emphasized the need to align lab exercises with theoretical content to enhance understanding.
   - Dr. Sanjeev Gupta suggested upgrading the laboratory infrastructure with modern equipment, including simulation software for circuit analysis, power system analysis and renewable energy setups.
   - Miss. Pallavi Sahay proposed incorporating additional practical exercises and virtual lab options to cover areas such as microcontrollers, power electronics, and smart grids.
   - The Chairperson proposed scheduling regular audits of lab resources and obtaining feedback from students regarding practical sessions. He also recommended regular maintenance and periodic review of lab infrastructure.



3. **Sustainability and Green Engineering Initiatives:**

- Dr. Dharmendra Kumar Singh proposed integrating a dedicated course on renewable energy technologies and sustainable practices into the undergraduate curriculum.
- Miss Pallavi Sahay proposed introducing a course on green engineering and sustainable practices, focusing on energy-efficient technologies. She also suggested the inclusion of practical projects focusing on green energy solutions such as solar panels and energy-efficient systems.
- Mr. Balram Yadav recommended including case studies on renewable energy projects to provide practical insights.
- Dr. Sanjeev Gupta emphasized the need to align these initiatives with global Sustainable Development Goals (SDGs) and recommended organizing workshops to educate students on green engineering principles.
- The Chairperson proposed establishing a dedicated Solar Lab & Renewable Energy Park to facilitate advance research and innovation. All members unanimously agreed on this proposal.
- The inclusion of multidisciplinary projects focusing on sustainability was also approved.

4. **Feedback from Stakeholders:**

- Miss Pallavi Sahay presented a draft of the feedback collected from students, alumni, industry experts, and faculty and put for discussion.
- As per the feedback obtained from the students, the Chairperson proposed the arrangement of communication and personality development classes and more practical exposure to final year students for improving placement opportunities.
- Mr. Balram Yadav recommended creating a formal mechanism to involve alumni in curriculum design and mentoring programs.
- Members agreed to incorporate these suggestions into the curriculum and strengthen collaboration with industries and professional bodies.

5. **Any other matter brought by BOS members:**

- Mr. Kripa Shanker invited additional suggestions from members.
- Dr. Dharmendra Kumar Singh proposed organizing faculty development programs to stay updated with emerging technologies.

- Dr. Rajeev Ranjan Kumar proposed organizing a national-level seminar on advancements in Electrical and Electronics Engineering to provide a platform for knowledge exchange.
- Dr. Sanjeev Gupta recommended forming industry partnerships for internships and collaborative projects.
- The Chairman proposed an establishment of Departmental Library along with Central Library for specialized books, journals, and project reports. Dr. Dharmendra Kumar Singh supported the proposal and recommended seeking funding through grants or industry sponsorships.

Resolutions:

1. The syllabus for both programs will be revised to incorporate emerging technologies and industry trends.
2. Lab facilities will be upgraded, and practical components enhanced with simulation tools and virtual labs.
3. Sustainability principles will be integrated into the curriculum, with an emphasis on multidisciplinary projects.
4. Establish a formal stakeholder feedback mechanism
5. Stakeholder feedback will be utilized to refine the curriculum and strengthen industry collaboration.
6. Conduct regular feedback sessions with students, alumni, and industry representatives.
7. Establish a departmental library with specialized resources and explore funding opportunities for its development.

Conclusion: The Chairman thanked all members for their active participation and valuable inputs. The meeting concluded with unanimous agreement on the discussed points.

The following points were discussed and finalized in 7th BOS meeting.

Item No. BOS 7:01	Confirmation of minutes of meeting and action taken report of Previous meeting held at HOD Office.
Resolution	Chairman BOS read out the minutes of meeting & action taken report of Previous meeting and requested to members to confirm the same. The minutes were confirmed unanimously.
Item No. BOS 7:02	Discussion and Approval of Syllabus structure w.e.f. AY 2024-2025 as per NEP guidelines.
Resolution	The new syllabus structure for the academic year 2024-2025, in alignment with the National Education Policy (NEP) guidelines, was discussed in detail. The Chairperson, Mr Anand Kumar proposed a curriculum framework for the Second year of the B. Tech. program, which was established based on the suggestions of subject specialists and in alignment with the objectives of NEP 2020. The members conducted a comprehensive analysis of the proposed course plan, with a particular focus on the core subjects, elective options, credit distribution, and evaluation techniques. The members submitted several proposals and adjustments to improve the framework of the program. To tackle these issues and get a unanimous agreement, the chairman supervised a comprehensive deliberation. The external members suggested incorporating some management courses into the curriculum, considering

The Agenda for the meeting was based on the following points:

- Curriculum Review and Updates for Emerging Technologies
- Enhancement of Lab Infrastructure and Research Facilities
- Strengthening Industry-Academia Collaboration
- Promoting Research, Innovation, and Entrepreneurship
- Faculty Development and Skill Enhancement
- Student Skill Development and Competency Building

Meeting Proceedings:

Welcome and Introduction:

- The meeting kicked off at 1:00 PM with Miss Nidhi warmly welcoming all participants.
- Mr. Saurabh presented a flower plant to Miss Naincy Priya as a gesture of welcome.
- Mr. Ashutosh Ranjan (Chairperson) and Mr. Saurabh promoted the *Vishwa Rang Antarrashtriye Hindi Olympiad 2025* by handing over a poster to Miss Naincy Priya.
- Mr. Monesh welcomed Mr. Aditya Anand (Industrial Expert) with a flower plant and also promoted the *Vishwa Rang Antarrashtriye Hindi Olympiad 2025*.

Agenda 1: Curriculum Review and Updates for Emerging Technologies:

- Miss Nidhi outlined the six agendas for the meeting as directed by the Chairperson.
- The board reviewed last year's curriculum to identify areas for improvement.

Dr. Naadir Kamal's Proposal:

- Dr. Naadir Kamal suggested replacing outdated technologies like X.25 and ATM with Software-Defined Networking (SDN) in the Computer Networks syllabus.
- He also proposed adding cloud and edge computing to the Computer Organization and Architecture (COA) syllabus, providing strong references and reasoning.
- After a detailed discussion, the Chairperson instructed Mr. Tauqeer to invite Dr. Vinod Sharma (AGU member) to share his opinion.

- Dr. Vinod Sharma agreed with Dr. Naadir Kamal's proposals and recommended implementing the changes.

Mr. Saurabh's Proposal:

- Mr. Saurabh proposed the inclusion of the Linux File Hierarchy System in Unit II of the Linux Operating System - Operations & Management syllabus for BCA 4th Semester, emphasizing its significance in modern computing.
- The board discussed the proposal and unanimously approved it.

Mr. Raja Kumar's Proposal:

- Mr. Raja Kumar suggested replacing the R programming language with Python in the Diploma CSE 4th Semester syllabus, citing Python's widespread industry usage and ease of learning.
- Dr. Vinod Sharma supported the proposal, and the board approved the change after a thorough discussion.

Mr. Deepak Kumar's Proposal:

- Mr. Deepak Kumar proposed including C programming language in the Basic Engineering subject for B.Tech 1st Year students, emphasizing its foundational importance.
- The board approved the proposal after a constructive discussion.

Agenda 2: Enhancement of Lab Infrastructure and Research Facilities:

- Miss Nidhi moved to the second agenda as per the Chairperson's instructions.
- The discussion focused on the current state of the university's lab infrastructure and ways to enhance it.
- Both industrial and academic experts, along with board members, shared their valuable suggestions for improvement.

Suggestions:

- ❖ **IoT Lab Setup:**
- ✓ Dr. Vinod Sharma proposed initiating a small IoT lab equipped with 10 Arduino sets.
- ✓ The lab will focus on hands-on project training, with students working in groups to encourage collaboration and practical learning.

- ❖ **Scaling and Modernization:**
- ✓ Dr. Vinod Sharma also emphasized scaling and enhancing lab equipment in line with emerging trends and technologies.
- ✓ Suggestions included upgrading existing labs with advanced tools and software to keep pace with industry standards.

The board unanimously agreed to prioritize the establishment of the IoT lab and the modernization of existing facilities.

Agenda 3: Strengthening Industry-Academia Collaboration:

- The meeting progressed to the third agenda, focusing on strengthening industry-academia collaboration.
- External experts suggested encouraging students to create and maintain LinkedIn profiles, showcasing their certifications from platforms like Coursera and Udemy.
- A discussion was held on motivating students to learn about Generative AI and Prompt Engineering, as these skills are becoming increasingly relevant in the industry.

Agenda 4: Promoting Research, Innovation, and Entrepreneurship:

- ➢ The board moved to the fourth agenda, discussing ways to encourage students toward innovation and research.
- ➢ It was proposed that the university and department should sponsor innovative research projects to provide students with financial and technical support.

- The goal is to create an ecosystem where students feel motivated to pursue groundbreaking research and entrepreneurial ventures.

Agenda 5: Faculty Development and Skill Enhancement:

- Miss Nidhi invited the industrial expert to share insights on this agenda.
- The expert emphasized the importance of:
  - ✓ Motivational programs for students.
  - ✓ Pre-placement talks to prepare students for the job market.
  - ✓ Value-added seminars to enhance skill sets.
  - ✓ Complementary skill-building workshops.
  - ✓ Moral value addition to foster holistic development among students.

Agenda 6: Student Skill Development and Competency Building:

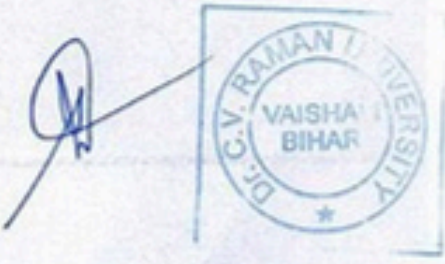
- Miss Nidhi invited the academic expert to discuss the sixth agenda.
- The expert focused on:
  - ✓ Encouraging students to pursue higher education.
  - ✓ Guiding students to publish research papers and participate in academic conferences.
  - ✓ Building competencies that align with industry requirements.

Closing Remarks by Dr. Vinod Sharma:

- As per the Chairperson's instructions, Mr. Tauqeer invited Dr. Vinod Sharma to share his final thoughts.
- Dr. Vinod praised the board for conducting a well-organized and productive meeting.
- He mentioned that everything discussed was excellent and no major additions were needed at the moment. However, he assured the board that he would inform them if any further suggestions arose.
- Everyone thanked Dr. Vinod for his valuable input.

Vote of Thanks:

- Miss Nidhi invited Mr. Saurabh to deliver the vote of thanks.



- Mr. Saurabh expressed gratitude to all participants in a heartfelt manner, appreciating their contributions to the meeting.
- Special thanks were given to Dr. Vinod Sharma for joining online and sharing his insights.
- The meeting concluded on a positive note, with all members feeling motivated and aligned toward the department's goals.

Notice for Board of Studies (BoS) Meeting

A meeting of the Board of Studies (BoS) for the Department of Electrical Engineering is scheduled as per the details mentioned below:

Date: March 11, 2025
Time: 1:00 PM
Venue: Dr. C. V. Raman University, Bhagwanpur, Vaishali, Bihar

Agenda:

1. Review and approval of the previous BoS meeting minutes.
2. Discussion on curriculum revision and updates.
3. Review and modifications required in the existing curriculum.
4. Review of academic performance and student feedback.
5. Discussion on industry collaborations and internship opportunities.
6. Any other points with the permission of the Chair.
7. Conclusion of the meeting.

All concerned members are requested to attend the meeting as per the schedule.

We look forward to your presence and valuable contributions to ensure the continuous improvement and excellence of our academic programs.

With Regards.

Agenda:

The agenda for the meeting was based on the following points:

1. Review and approval of the previous BoS meeting minutes.
2. Discussion on curriculum revision and updates.
3. Review and modifications required in the existing curriculum.
4. Review of academic performance and student feedback.
5. Discussion on industry collaborations and internship opportunities.
6. Any other points with the permission of the Chair.
7. Conclusion of the meeting

Proceedings:

Mr. Kripa Shanker, HOD and Chairman of the meeting welcomed the guest experts and introduce them with team members.

During the meeting, following points were discussed:

1. Review and Approval of the Previous BoS Meeting Minutes

- Mr. Kripa Shanker presented the minutes of the last meeting held on March 12, 2024.
- The key action items from the previous meeting included:
  - Syllabus review
  - Lab upgradation and inclusion of more practical components
  - Establishment of a departmental library
  - Incorporation of sustainability and green engineering initiatives
  - Conducting feedback sessions with students, alumni, and industry representatives
- Dr. Sanjeev Gupta emphasized the importance of tracking the implementation of decisions taken in previous meetings.
- The minutes of the previous BoS meeting were reviewed and approved unanimously.

D.C.V. RAMAN UNIVERSITY VAISHALI BIHAR

2. Discussion on Curriculum Revision and Updates

- Dr. Dharmendra Kumar Singh suggested incorporating emerging technologies like Electric Vehicle and Power Storage Technologies into the syllabus.
- Mr. Rajni Kant highlighted the need for more industry-relevant coursework and practical exposure.
- The committee agreed to form a subcommittee to explore the integration of these topics in upcoming revisions.

3. Review and Modifications Required in Existing Curriculum

Proposal-1:

- Mr. Suman Nikunj Mahto proposed adding practical components to **Generation Transmission & Distribution (2TDEX-404)** instead of **Entrepreneurship (2TDEX-405)**, as the former is a core subject.
- The proposal was unanimously accepted.

Proposal-2:

- Dr. Rajeev Ranjan Kumar recommended swapping **Electrical & Electronics Measurement and Measuring Instruments (2TDEX-304) of 3rd semester** with **Electrical Circuit (2TDEX-502) of 5th semester**, citing that the latter is a fundamental subject better suited for the 3rd semester.
- After discussion, the members agreed to implement this change.

Proposal-3:

- Mr. Avinash Kumar Singh proposed interchanging **Industrial Management (2TDEX-402) with Energy Conservation & Management (2TDEX-603)** to align with logical progression in learning.
- Dr. Sanjeev Gupta supported this, highlighting that early exposure to Energy Conservation would benefit students in later semesters.
- The proposal was approved.

D.C.V. RAMAN UNIVERSITY VAISHALI BIHAR

Proposal-4:

- Mr. Suman Nikunj Mahto suggested modifying the syllabi of **Electrical Machine-I (3TBEX-302) and Electrical Machine-II (3TBEX-502)** by:
    - Including **DC Machines and Transformers** in Electrical Machine-I.
    - Including **Induction Machines and Synchronous Machines** in Electrical Machine-II.
- Dr. Dharmendra Kumar Singh and Mr. Balram Yadav endorsed this change for better comprehension and clarity.
- The proposal was approved.

4. Review of Academic Performance and Student Feedback

- Miss Pallavi Sahay presented student feedback reports, highlighting concerns regarding practical exposure and the need for more hands-on training.
- Dr. R. P. Gupta recommended increasing laboratory sessions and organizing industrial visits.
- The committee decided to collaborate with industries to facilitate guest lectures and workshops.

5. Discussion on Industry Collaborations and Internship Opportunities

- Mr. Avinash Kumar Singh proposed signing MoUs with leading electrical firms to facilitate student internships.
- Dr. Sanjeev Gupta suggested identifying industry partners for real-world projects and live case studies.
- The members agreed to set up a working group to identify and approach potential industry collaborators.

6. Any Other Points with the Permission of the Chair

- Mr. Kripa Shanker suggested initiating **faculty development programs** to enhance teaching methodologies.

DR. C.V. RAMAN UNIVERSITY VAISHALI BIHAR

- Dr. Rajeev Ranjan Kumar recommended organizing **technical skill enhancement programs** for students to make them industry-ready.
- Both suggestions were well received and noted for future planning.

7. Conclusion of the Meeting

- Mr. Kripa Shanker thanked all members for their valuable inputs and active participation.
- The meeting was adjourned at 4:30 PM with a consensus to implement the approved proposals and continue discussions in subsequent meetings.

Agenda of the Meeting:

1. Proposal for implementation of Syllabus as per ICAR VIth Dean committee for B.Sc Agriculture Course.
2. To Consider and approve course program for M.Sc. Agronomy & M.Sc. Horticulture (Vegetable Science & Fruit Science)
3. To consider and approve admission guidelines and academic regulations for the proposed program, M.Sc. Agronomy and M.Sc. Horticulture.
4. To consider and approve the Departmental Academic Activity Calendar.

Following are the outcomes of the BoS meeting:

Agenda 1: Implementation of Syllabus as per ICAR VIth Deans' Committee for B.Sc. (Hons.) Agriculture Course

Mrs. Shalini Singh, Chairperson of the Board of Studies, proposed the proposal to implement the revised syllabus for the B.Sc. (Hons.) Agriculture course, based on the curriculum recommended by the VIth Deans' Committee of the Indian Council of Agricultural Research (ICAR).

She emphasized that the proposed curriculum is structured to strengthen students' academic foundation in agriculture while introducing them to practical and skill-oriented training. The new syllabus aims to bring uniformity across agricultural institutions and to prepare graduates with competencies relevant to the present and future demands of the sector.

She further explained that experiential learning modules, skill development courses, rural agricultural work experience (RAWE), and student READY programs are integral parts of the revised curriculum.

Following a thorough discussion and positive remarks by all members, the proposal was approved unanimously.

Agenda 2: Approval of Course Program for M.Sc. Agronomy and M.Sc. Horticulture (Vegetable Science and Fruit Science)

Mr. Amit Kumar Patel proposed the proposal to introduce and approve the course curriculum for two new postgraduate programs:

- **M.Sc. in Agronomy**
- **M.Sc. in Horticulture**, with specializations in **Vegetable Science** and **Fruit Science**

He elaborated that the curriculum for these programs has been carefully designed in accordance with the latest ICAR guidelines, industry relevance, and research orientation. Each program includes core courses, specialized electives, and a well-defined thesis component to promote critical research and field engagement.

Mr. Patel highlighted the need to prepare students for academic, research, and field-level positions, and mentioned the inclusion of modern tools and techniques in agronomic and horticultural practices.

The members discussed the course contents and appreciated the depth and clarity in the program structure. After no objections were raised, the **proposal was approved** by the board.

Agenda 3: Approval of Admission Guidelines and Academic Regulations for M.Sc. Agronomy and M.Sc. Horticulture Programme.

Mr. Amit Kumar Patel also put forward the proposal for the admission guidelines and academic regulations related to the above-mentioned postgraduate programs.

He presented a comprehensive overview of the proposed framework, which includes:

- Eligibility criteria and qualifying degree requirements
- Procedure for entrance test or merit-based admission
- Academic credit structure and grading system
- Internal and external evaluation procedures
- Guidelines for thesis submission, viva voce, and degree completion
- Attendance, discipline, and academic integrity clauses

The board members reviewed the draft regulations thoroughly. The external members suggested a few minor modifications in terminology and procedural clarity, which were accepted and incorporated.

Subsequently, the proposal was approved by all members.

Agenda 4: Approval of Departmental Academic Activity Calendar

Mrs. Shalini Singh, as both the Chairperson and Head of Department, proposed the proposal for the approval of the Departmental Academic Activity Calendar for the upcoming academic session.

She presented a semester-wise schedule outlining key academic and administrative activities including: Start and end dates of semesters, Mid-term and end-term examination schedules, Practical, fieldwork, and project timelines Departmental seminars, workshops, and National day celebrations like science Day, Earth Day, International Day of forest, World Water Day etc.

Mrs. Singh highlighted the importance of timely execution of academic tasks and stressed adherence to the calendar for academic discipline.

After reviewing the calendar and providing consensus on its feasibility, the proposal was approved by the board.

Conclusion:

The Chairperson extended her gratitude to all members, especially the external experts – Dr. Anil Kumar, Dr. Ashok Kumar Verma, and Dr. Satyendra Kumar – for their valuable contributions, constructive feedback, and support in decision-making.

All four proposals presented in the meeting were discussed, refined, and unanimously approved by the Board of Studies. The resolutions will now be forwarded to the Academic Council for further approval and implementation.

3. Discussion on recent academic trends, industry expectations, and national education policies.
4. Suggestions and recommendations from BoS members and external expert.
5. Approval and conclusion of review proceedings.

Following are the outcomes of Board of Studies meeting:

Discussion and Curriculum Review

The Board of Studies meeting commenced with a formal welcome by the Chairperson, Mrs. Shalini Singh who acknowledged the presence and contributions of all members, including the esteemed external subject expert.

The BoS members conducted a comprehensive review of the existing curriculum for all undergraduate and postgraduate programs offered under the Department of Life Sciences. The review focused on the structure, relevance, depth, and coherence of the current syllabi, keeping in mind:

- The implementation and alignment with the National Education Policy (NEP) 2020.
- The Choice Based Credit System (CBCS) framework.
- The need to integrate research-based learning, interdisciplinary approaches, and digital competencies.
- The suitability of the current curriculum for higher education pursuits, research, and employability.

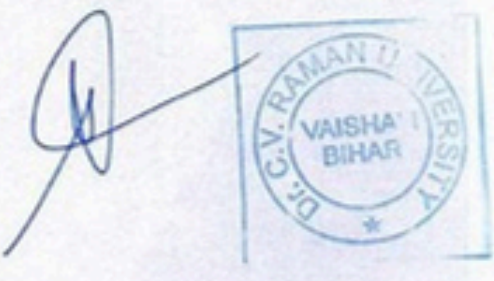
Program-wise Observations and Discussion Points:

1. **B.Sc. Botany & M.Sc. Botany:**

- The curriculum adequately covers fundamental areas such as Plant Physiology, Genetics, Ecology, Taxonomy, and Molecular Biology.
- Practical components, including fieldwork and laboratory experiments, are well-designed and balanced.
- Faculty highlighted that elective papers like *Herbal Technology* and *Plant Biotechnology* have been positively received by students.
- The dissertation and seminar components at the PG level are functioning effectively in fostering research skills.

2. **B.Sc. Zoology & M.Sc. Zoology:**

- Core courses like Animal Diversity, Developmental Biology, Physiology, and Environmental Biology remain strong and relevant.
- Recent additions in *Wildlife Conservation* and *Animal Behavior* are appreciated by students and faculty alike.
- Practical work and project-based learning are successfully being implemented in both UG and PG programs.
- There was a suggestion to continue enhancing digital learning tools and virtual labs where applicable.



Approval by External Expert

The external expert, Dr. Satyendra kumar was actively involved in the review process and closely examined the curriculum structure, course outcomes, and content delivery methods across all four programs. The expert expressed appreciation for:

- The department's consistent efforts in curriculum enhancement.
- The inclusion of both theoretical and applied knowledge.
- The implementation of hands-on training, field exposure, and research orientation.

After thorough discussion and examination, the external member gave formal approval for the continuation of the existing curriculum without any modifications, stating that the current framework is well-aligned with academic best practices and national guidelines.

Conclusion

Following extensive deliberation, the Board of Studies unanimously agreed that:

- The current syllabus for B.Sc. and M.Sc. in Botany and Zoology remains highly effective in fulfilling the academic objectives and learning outcomes.
- No changes or updates are required at this stage.
- The department will continue to observe developments in biological sciences, policy changes, and stakeholder feedback to ensure relevance in future reviews.
- The existing curriculum will remain in effect for the upcoming academic session.

The Chairperson, Mrs. Shalini Singh concluded the meeting by expressing sincere thanks to all internal members and especially to the external subject expert for their valuable insights, constructive feedback, and formal approval of the curriculum. The meeting ended on a positive and forward-looking note, with appreciation for the department's continued pursuit of academic excellence.

Mr. Manoj Kumar, HOD and Chairperson of the meeting welcomed the guest experts and introduce them with team members.

In the starting of meeting, the last year syllabus revision and its implementation was discussed. The experts from outside discussed the current scenario of the Arts and Humanities and its various career prospects.

The chairperson briefed the members about the present syllabus and necessary implementation& requirements as per the feedback received from all the stake holders.

The meeting of board of studies was held on 22nd MarMRch 2025 at Bosch Room under the presidentship of Mr Manoj Kumar, HOD of the department of Arts & Humanities.
Most of the faculty members were present on this occasion. Respected members- Pofessor (Dr.)Rajkumar Singh professor of M.P science college Muzaffarpur.

Professor (Dr.) Anil Nath professor of Economics HOD PG department A.N College Patna

Mr Manoj Kumar HOD the department of Arts and Humanities Dr C.V Raman University Vaishali Bihar .

Professor (Dr.)Sudista Prasad Singh,HOD, the department of English Dr C V Raman University Vaishali, Bihar.

Mr. Abhishek Mishra assistant professor and HOD , the department Geography Dr. C .V Raman University Vaishali Bihar.

Dr Rudra Narayan Assistant professor and HOD the department of History, Dr C V Raman University Vaishali Bihar

Miss Farah Khan assistant professor in library Science and Mr Ashutosh Kumar assistant professor library Science.

And Mrs. Sonali Sinha, assistant professor in the department of English Dr CV Raman University Vaishali Bihar were present on the this occasion.

All the members discussed in detail and reviewed the present syllabus. They appreciated the syllabus of all the subjects of Arts and Humanities and expressed their views.

Dr Anil nath suggested the adoption of NEP if it is possible besides his views and opinions on different points. His suggestion is attached in this report. Dr Raj Kumar Singh Praised the syllabus & suggested some changes which are attached to the report. He pointed out that Sunderkand of Valmiki Ramayan is taught in UG & PG courses of English.

So, Arnyankand should be taught in UG department of English in place of Sunderkand. In British English the Sons and lovers of D.H Lawrence has been repeated in UG and PG. The Rainbow of D.H Lawrence should be placed in UG in place of Sons and lovers. Same is the case with APJ Abdul Kalams book the Wings of Fire which is taught in UG & PG. So his book My journey: Transforming Dreams into Action should be placed in the place of the Wings of Fire.

Professor Rajkumar Singh suggested some new courses to be added to the syllabus. He suggested and stressed the need of Artificial intelligence,Physical education,Professional and job oriented courses and other New courses.All the members present in the meeting agreed to the views and suggestions of the experts of the concern of subjects regarding the syllabus of different subjects of the Arts and Humanities of this university.

Some suggestions by Dr. Professor Anil Nath:-

1. Students in 6th semester must be given brief theoretical background of research methodology before being asked to write dissertation or project.
2. Generic elective course choices must be broadened by including other subjects of Humanities ,social science and Arts like Philosophy, Geography etc.
3. Core course in semester 6 and 5th must have a basket containing industrial economics /labour economics/ mathematical Economics apart from the agriculture economics.
4. National weightage in all the semesters must include seminars and guest lectures , work shop& FDP.

5. If possible, adopt the guidelines of NEP. the Three years UG course may kindly be changed to 4 year /8 semesters courses.
6. Project and Dissertation must be done on different aspects of our state of Bihar.
7. Applied economics must be included as a core course paper in any semester of postgraduate department.
8. Project dissertation given to student must be region specific or based on the different aspects of our state of Bihar.
9. Professional and vocational courses in form of certification courses(6 Months) diploma courses (1 year)etc must also be introduced for UG/PG students to make them more employable and marketable.

The board reviewed the scheme of examination, curriculam and syllabi of programmes/ examinations and No changes were suggested in the scheme and syllabi for the upcoming session.

VAISHALI BIHAR

Dr Shailaj Kumar Shrivasava as an external member attending the Board of Studies (BOS) meeting of the Physical Science faculty at **Dr. C.V. Raman University,** here are some potential advice and initiatives suggested.

1. Curriculum Revision: Recommend reviewing and updating the curriculum to ensure it aligns with industry needs, incorporates modern technologies, and reflects current research trends.
2. Interdisciplinary Collaborations: Suggest fostering collaborations between Physical Science departments (e.g., Physics, Chemistry, Mathematics) and other faculties (e.g., Engineering, Life Sciences) to promote interdisciplinary research and education.
3. Research Focus Areas: Advise identifying key research focus areas, such as materials science, renewable energy, or computational physics, to strengthen the faculty's research profile and attract funding opportunities.
4. Industry Partnerships: Recommend establishing partnerships with local industries, research institutions, and startups to provide students with hands-on experience, internships, and job opportunities.
5. Faculty Development: Suggest providing faculty members with opportunities for professional development, such as workshops, conferences, and training programs, to enhance their teaching and research skills.
6. Student Engagement: Advise initiatives to increase student engagement, such as research projects, science fairs, quizzes, and guest lectures, to foster a sense of community and curiosity among students.
7. Infrastructure Development: Recommend upgrading laboratory infrastructure, equipment, and software to provide students with modern tools and technologies, enhancing their learning experience and research capabilities.
8. Alumni Engagement: Suggest establishing an alumni network to connect with former students, promote their achievements, and encourage their participation in faculty activities, such as guest lectures and mentorship programs.

Some potential action items:
- Form a committee to review and revise the curriculum.
- Invite industry experts for guest lectures and workshops.
- Establish a research focus area and allocate resources accordingly.
- Develop a faculty development program.
- Organize student engagement activities, such as science fairs and quizzes.

Dr Sushil Kumar Jamariar,Chairperson and H O D produce to
Initiate a new certificate coursre of vedic mathematics and establish mathematics lab
In favour of students.

Course Title: Certificate Course in Vedic Mathematics
Duration: 6 months (part-time) 6 Credit (3+3)
Eligibility: 10+2 (any subject)
Course Objectives:

1. Introduce students to the principles and techniques of Vedic Mathematics.
2. Develop problem-solving skills using Vedic Mathematics.
3. Enhance mental calculation and mathematical reasoning abilities.
4. Provide a comprehensive understanding of Vedic Mathematics and its applications.

Course Curriculum:
1. Introduction to Vedic Mathematics
2. Basic Principles and Techniques
3. Mental Calculation and Mathematical Reasoning
4. Applications of Vedic Mathematics in Algebra, Geometry, and Trigonometry
5. Advanced Topics in Vedic Mathematics

Mathematics Lab
Lab Name: Vedic Mathematics and Problem-Solving Lab
Objective: To provide a hands-on learning environment for students to practice and apply mathematical concepts, including Vedic Mathematics.

Lab Facilities:
1. Computers with mathematical software
2. Whiteboards and markers for problem-solving sessions
3. Printed and digital resources on Vedic Mathematics
4. Internet connectivity for online resources and research

Benefits for Students:
1. Develop problem-solving skills and mathematical reasoning abilities.
2. Enhance mental calculation and mathematical accuracy.
3. Gain a comprehensive understanding of Vedic Mathematics and its applications.
4. Improve academic performance in mathematics and related subjects.
5. Develop critical thinking and analytical skills.

Implementation Plan:

1. Develop the course curriculum and lab setup.
2. Identify and train faculty members to teach the course.
3. Promote the course and lab among students and faculty members.
4. Establish partnerships with institutions and organizations for resource sharing and collaboration.
5. Monitor and evaluate the course and lab's effectiveness.

By initiating this certificate course and establishing the Mathematics Lab, you can provide students with a unique opportunity to develop their mathematical skills and explore the fascinating world of Vedic Mathematics.

Prof Ajay kumar , member of B O S focus on academic activities like as science day, mathematics day, cultural activities, expert lecture in university

As a member of the Board of Studies (BOS), Prof. Ajay Kumar's focus on academic activities is commendable. Here's a breakdown of his initiatives:

Science Day Celebrations

- Organized events to commemorate National Science Day (February 28th)
- Conducted science quizzes, debates, and exhibitions to promote scientific awareness and curiosity among students
- Invited experts from renowned institutions to deliver lectures on cutting-edge scientific topics

Mathematics Day Celebrations

- Celebrated National Mathematics Day (December 22nd) with events and activities that highlighted the importance of mathematics in everyday life
- Organized mathematics competitions, puzzles, and brain teasers to engage students and promote problem-solving skills
- Invited mathematicians to share their research and experiences with students

Cultural Activities

- Organized cultural events, such as music, dance, and drama performances, to promote diversity and inclusivity on campus
- Encouraged students to participate in cultural competitions and festivals to showcase their talents
- Collaborated with other departments to organize joint cultural events and promote interdisciplinary interactions

Expert Lectures

- Invited experts from academia, industry, and research institutions to deliver lectures on topics relevant to students' academic and professional interests
- Organized workshops, seminars, and conferences to provide students with opportunities for networking and skill development
- Encouraged students to interact with experts and seek guidance on their academic and professional pursuits

Prof. Ajay Kumar's efforts to promote academic activities and cultural events have likely enhanced the overall educational experience for students at the university. His initiatives have:

- Fostered a culture of scientific inquiry and curiosity
- Promoted mathematical awareness and problem-solving skills
- Encouraged cultural diversity and inclusivity
- Provided students with opportunities for networking and skill development

By continuing to focus on these initiatives, Prof. Ajay Kumar can further enrich the academic environment and support the holistic development of students at the university.

Prof krishmandan kumar arise practical work of chemistry and physics

Prof. Krishnandan Kumar's emphasis on practical work in Chemistry and Physics is essential for students to gain hands-on experience and deepen their understanding of these subjects. Here are some potential ways to enhance practical work in Chemistry and Physics:

Chemistry Practical Work:

1. Experimental Design: Encourage students to design and conduct experiments to test hypotheses and investigate chemical phenomena.
2. Hands-on Laboratory Sessions: Provide regular laboratory sessions where students can perform experiments, collect data, and analyze results.
3. Instrumentation and Equipment: Ensure that students have access to modern instrumentation and equipment, such as spectrophotometers, chromatographs, and microscopes.
4. Project-Based Learning: Assign students projects that require them to apply chemical principles to real-world problems, such as environmental analysis or pharmaceutical development.

Physics Practical Work:
1. Experimental Investigations: Design experiments that allow students to investigate physical phenomena, such as motion, thermodynamics, or electromagnetism.
2. Data Analysis and Interpretation: Emphasize the importance of data analysis and interpretation in physics, using tools like graphs, charts, and simulations.
3. Simulations and Modeling: Utilize computer simulations and modeling to help students visualize and understand complex physical concepts.
4. Project-Based Learning: Assign students projects that require them to apply physical principles to real-world problems, such as designing a bridge or optimizing a solar panel.

Benefits of Practical Work:

1. Deeper Understanding: Practical work helps students develop a deeper understanding of chemical and physical concepts.

2. Development of Skills: Hands-on experience helps students develop essential skills, such as experimental design, data analysis, and problem-solving.

3. Improved Retention: Practical work can improve retention of concepts and principles, as students are more likely to remember experiences than lectures.

4. Preparation for Careers: Practical work prepares students for careers in science, technology, engineering, and mathematics (STEM), where hands-on experience and problem-solving skills are essential.

By emphasizing practical work in Chemistry and Physics, Prof. Krishnandan Kumar can help students develop a stronger foundation in these subjects, preparing them for success in their academic and professional pursuits.

After following dicision of the meeting at last chair person and H O D , Dr sushil kumar jamariar thanks to all the present member's for his contribution.

Conclusion of the Meeting

The meeting concluded with a vote of thanks from the Chairperson and HOD of Physical Science Faculty, **Dr. Sushil Kumar Jamariar**. He expressed his sincere gratitude to all the members present for their valuable contributions, active participation, and constructive suggestions.

Dr. Jamariar acknowledged the efforts of each member in making the meeting a success and reiterated the importance of teamwork and collaboration in achieving the faculty's goals. He encouraged the members to continue working together to implement the decisions made during the meeting and to strive for excellence in their respective areas.

With a sense of accomplishment and renewed enthusiasm, the members departed, looking forward to the next meeting and the opportunities it would bring for further growth and development.

Final proposal and aceptance of the meeting

After thorough discussions and deliberations, the meeting concluded with the following final proposal:

The Department of Physical Science proposes to:

1. Introduce a new certificate course in Vedic Mathematics.
2. Establish a Mathematics Lab to provide hands-on experience to students.
3. Organize regular academic activities, such as Science Day, Mathematics Day, and expert lectures.
4. Emphasize practical work in Chemistry and Physics to enhance student learning outcomes.

Acceptance:

The proposal was unanimously accepted by all members present, and the Chairperson, Dr. Sushil Kumar Jamariar, declared the meeting closed.

Action Plan:
The following action plan was outlined to implement the proposed initiatives:

1. The certificate course in Vedic Mathematics will be launched in the upcoming semester.
2. The Mathematics Lab will be established within the next three months.
3. The academic activities will be organized regularly, with the first event scheduled for the next month.
4. The emphasis on practical work in Chemistry and Physics will be implemented immediately.

With the acceptance of the proposal and the outlined action plan, the meeting came to a close, marking a significant step forward for the Department of Physical Science.
Dr dinesh singh advice in the meeting to change in sequence in the syllabus of B tech, and diploma of mathematics with adding lagarithm chapter in diploma engineering

Recommendation for Syllabus Revision

Dr. Dinesh Singh, a esteemed member of the faculty, suggested a revision in the syllabus of B.Tech and Diploma programs in Mathematics. He recommended a change in the sequence of topics to better align with the current industry needs and academic standards.

Specific Recommendation:

Dr. Singh proposed the addition of a new chapter on Logarithms in the Diploma Engineering Mathematics syllabus. He emphasized the importance of logarithmic concepts in various engineering applications and argued that its inclusion would enhance the students' problem-solving skills and analytical thinking.

Rationale:

Dr. Singh justified his recommendation by highlighting the following benefits:

1. Improved problem-solving skills: Logarithmic concepts are crucial in solving complex engineering problems, and their inclusion would help students develop stronger problem-solving skills.
2. Enhanced analytical thinking: Logarithms are used to model and analyze real-world phenomena, and their study would foster analytical thinking and critical reasoning among students.
3. Better alignment with industry needs: The inclusion of logarithmic concepts would align the Diploma Engineering Mathematics syllabus with the current industry requirements and standards.

Next Steps:
The recommendation was well-received by the members, and it was decided to:

1. Review the existing syllabus and identify areas for revision.
2. Develop a revised syllabus incorporating the recommended changes.
3. Submit the revised syllabus for approval to the relevant authorities.

Dr. Singh's recommendation is expected to enrich the mathematical foundation of Diploma Engineering students and better prepare them for the challenges of the engineering profession.

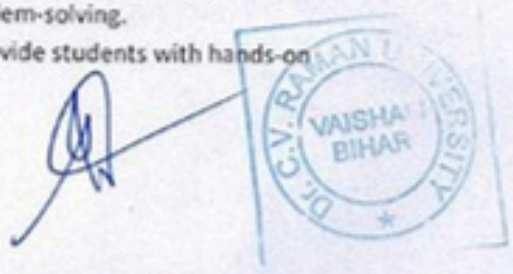
Final Decision of the Meeting
After thorough discussions and deliberations, the meeting concluded with the following final decisions:
1. Introduction of Certificate Course in Vedic Mathematics: The department will introduce a new certificate course in Vedic Mathematics, which will be launched in the upcoming semester.
2. Establishment of Mathematics Lab: The department will establish a Mathematics Lab to provide hands-on experience to students, which will be set up within the next three months.
3. Revision of B.Tech and Diploma Syllabus: The department will revise the syllabus of B.Tech and Diploma programs in Mathematics to include a new chapter on Logarithms in the Diploma Engineering Mathematics syllabus.
4. Emphasis on Practical Work: The department will emphasize practical work in Chemistry and Physics to enhance student learning outcomes.
5. Organization of Academic Activities: The department will organize regular academic activities, such as Science Day, Mathematics Day, and expert lectures, to promote academic excellence and student engagement.

The meeting concluded with a sense of accomplishment and a renewed commitment to academic excellence. The decisions made during the meeting are expected to have a positive impact on the department's academic programs and student outcomes.

Proposals Presented by Members

During the meeting, the following proposals were presented by members:

1. Dr. Dinesh Singh: Proposed the introduction of a new chapter on Logarithms in the Diploma Engineering Mathematics syllabus to enhance student learning outcomes.
2. Dr. Ajay Kumar: Suggested organizing regular academic activities, such as Science Day, Mathematics Day, and expert lectures, to promote academic excellence and student engagement.
3. Dr. Krishnandan Kumar: Proposed emphasizing practical work in Chemistry and Physics to enhance student learning outcomes and prepare them for real-world applications.
4. Dr. Sushil Kumar Jamariar: Suggested introducing a new certificate course in Vedic Mathematics to provide students with an alternative approach to mathematical problem-solving.
5. Prof. Ajay Kumar: Proposed establishing a Mathematics Lab to provide students with hands-on experience and enhance their mathematical skills.



These proposals were discussed and debated by the members, and the final decisions were made based on the consensus reached during the meeting.

The meeting was initiated by Dr. Sushil Kumar Jamariar, Chairperson of the Department of Physical Science, with a review of the previous meeting.

Review of Previous Meeting

Dr. Jamariar began by summarizing the key decisions and action items from the previous meeting, which included:

1. Introduction of new courses in emerging areas of physical science.
2. Revision of the department's research policy to encourage interdisciplinary research collaborations.
3. Organization of a national seminar on recent advances in physical science.

Dr. Jamariar requested the members to provide updates on the progress made on these action items and to discuss any challenges or concerns they may have encountered.

Agenda for the Current Meeting

After the review of the previous meeting, Dr. Jamariar presented the agenda for the current meeting, which included:

1. Discussion on the proposal for introducing a new certificate course in Vedic Mathematics.
2. Review of the department's academic programs and discussion on possible revisions.
3. Discussion on the organization of a Mathematics Lab to support student learning.

The members were invited to share their thoughts and suggestions on these agenda items, and the meeting proceeded with a discussion on the first item.

Meeting ended with the vote of thanks to all the members who were present in the meeting.

BOARD OF STUDIES MEETING INVITATION

Respected sir,

Department of Civil Engineering – Board of studies meeting which has been scheduled on **11th March 2025** at 10:30 AM in Meeting hall, Dr. C.V.Raman University, Vaishali, Bihar.I would like to invite you for all BOS meeting to give your valuable suggestion on our curriculum and syllabus.

The Agenda for the meeting was based on the following points:

1. Discussion on AICTE Model curriculum and Syllabus
2. Discussion on Syllabus Review
3. Courses based on Employability
4. Initiation of new program

The Members of the board are requested to attend the meeting.

With Regards,

MINUTES OF THE MEETING OF THE BOARD OF STUDIES

FACULTY OF ENGINEERING & TECHNOLOGY

DEPARTMENT OF CIVIL ENGINEERING

TUESDAY, 11th of MARCH 2025

at

Dr. C.V. Raman University, Vaishali.

The following members attended the meeting:

S. No	Name	Designation
1	Mr. Shantnu	Chairperson
2	Dr. Kapil Soni	University Nominee
3	Mr. Mithlesh Kumar Jha	External Member
4	Mr. Abhishek Kumar	Member
5	Mr. Onkar Sharad	Member
6	Mr. Kumar Shanu	Member
7	Mr. Avinash Kumar	External Member

All the nominated members of BOS were present in the meeting.

The Agenda for the meeting was based on the following points:

- **Discussion on AICTE Model curriculum and Syllabus.**
- **Discussion on Syllabus Review.**
- **Courses based on Employability.**
- **Initiation of New Program.**

Dr. C.V. RAMAN UNIVERSITY VAISHALI BIHAR

Mr. Shantnu, HOD and Chairperson of the meeting welcomed the guest experts and introduce them with team members.
In the starting of meeting, the last year syllabus revision and its implementation was discussed. The expert from outside have discussed the current scenario of the Civil Engineering and its various career prospects.

During the meeting, follöwing points were discussed:

1. Model AICTE
2. Syllabus Review

The chairperson briefed the members about the present syllabus and necessary implementation requirement as per the feedback received from all the stake holders.
The board reviewed the scheme of examination, curriculum and syllabi of programmes/ examinations and following changes were suggested in the scheme and syllabi for the upcoming session. The subject expert Mr. Mithlesh kumar Jha suggested to give weightage to earthquake resistant structure in the syllabus. Industry Expert Mr. Avinash kumar shared his view regarding the current requirement of the companies and the skills which are essential for the fresher students for their employability.
The board members have given the suggestion on the present syllabus and decided the following points to be implemented in the syllabus:

➢ **In B. Tech Civil Engineering, following changes in courses were proposed :**

1. Arrangement of topics in proper sequence and adding required topics in BC&EM of 1st Sem.
2. Arrangement of topics in proper sequence and adding required topics in B.M.C of 3rd Sem.
3. Arrangement of topics in S.O.M. and adding some important topics into the syllabus of 3rd Sem.
4. Changing the subject **Construction Technology to Concrete Technology** which is required in today's scenario. Most topics of existing syllabus is part of B.M.C.
5. Remapping and arrangement of topics in proper sequence of Structure Analysis-I and Structure Analysis-II of 4th sem and 5th sem.
6. **Separating the subject Irrigation Engineering & Hydrology (3TBCE-505) of 5th sem into two separate subjects Engineering Hydrology (3TBCE-505) in 5th sem and Irrigation Engineering (3TBCE-602) in 6th sem** with complete syllabus required. Existing subject Irrigation engineering & Hydrology (3TBCE-505) of 5th sem nor complete the demand of irrigation or the hydrology.
7. Arranging the topics structural design and drawing-I (R.C.C.) of 5th sem in proper sequence and adding some important topics which were missing.
8. Removing the subject Water Supply & Waste water Engineering (3TBCE-602) whose topics are in the existing syllabus of different subject. Irrigation Engineering (3TBCE-602) separated from Irrigation engineering & Hydrology (3TBCE-505) of 5th sem should replace it.
9. Removing the topics of Environmental Engineering-II (3TBCE-703) of 7th Sem which are already taught in different subjects and adding the topics from Water Supply & Waste water Engineering (3TBCE-602) in it.

➢ **In Diploma Civil Engineering, following changes in courses were proposed:**

1. In Environment Engg. & Safety(2TDDE-104) unit -3 has been removed with soil pollution as per requirements.
2. In syllabus of Structural design & drafting – I (R.C.C) (2TDDE-504), the whole new syllabus as per requirement of present scenario is proposed.

>>>>>The detailed implementation/ changes in the programme is given in Annexure-I

2. Courses based on Employability

It is also suggested to implement skill based course of each programme with more weightage in the curriculum.

3. To initiate new programme/s

The Chairperson briefed the members about the possible implementation of new programme in the department for coming academic year. It was suggested to find the possibility of starting demanding programs like B. Tech in Civil Engineering with specialization in Construction Management and B. Tech in Civil Engineering with specialization in Concrete Technology.

4. Value Added Courses

It is also decided in the meeting that the department should initiate and look for value added certificate courses as per the need of the society. So the following courses discussed to initiate:

a. Surveying
b. Billing
c. Designing with CADD.

Meeting ended with the vote of thanks to all the members who were present in the meeting.

4. Notice for the meeting of the Standing Committee along with the agenda will be served to the members at least 3 days in advance of the meeting. However, an emergency meeting of the Standing Committee can be called by the Vice Chancellor, as and when required, with one-hour notice.

CHAPTER NUMBER 09
EXAMINATION AND RESULT COMMITTEE

1. The Examination and Result Committee of each department shall consist of the following members:
   (i) Dean of the faculty (Chairman)
   (ii) Head of the Department
   (iii) Two senior most teachers of the Department (other than the head of the department).
2. The Examination and Result Committee of the Department shall recommend to the Vice-Chancellor through Controlier of Examination, the names of Examination Paper Setters, Moderator and Examiner of different subjects. The Vice-Chancellor will have the right to add or delete names in the proposed list and he would approve the final list.
3. The Examination and Result Committee of the concerned department shall approve the results before declaration. If in the opinion of the committee, the results are not properly balanced, it may recommend suitable corrective action to the Vice-Chancellor and shall implement such corrective action after approval of the Vice-Chancellor.

CHAPTER NUMBER 10
BOARD OF STUDIES

1. There shall be a Board of Studies for each department comprising of:
   (i) All the teachers of the concerned department.
   (ii) Two members to be nominated and co-opted by the Department, from outside the University, from academia /Industries.
2. The Head of the Department or Senior most faculty member shall be the Chairman of the Board of Studies.
3. The term of the Co-opted members of the board of studies shall be three years.
4. The Vice Chancellor can constitute a Board of Studies for the subjects to be started by the University as and when required.

Dr. C.V. RAMAN UNIVERSITY VAISHALI BIHAR

5. Detailed syllabus of the different courses of the department shall be prepared by the Board of Studies and be submitted to the Academic Council for its approval and publication.
6. Contents of the syllabi shall be revised and updated by the Board of Studies from time to time and be submitted to the Academic Council for its approval.
7. Board of Studies meeting shall be arranged at least once in a year.

CHAPTER NUMBER 11
STUDENTS COUNCIL

1. The students' council will mainly function as a forum for getting feedback on the students' issues and their welfare.
2. The Vice-Chancellor shall appoint on the Students' Council one student from each Department/Faculty who should be a full time student in the University and had secured the first position in order of merit in the preceding Examination.
3. The Vice-Chancellor can also decide to involve other categories of students in the Students' Council depending upon the need of student's participation for the benefit of the University. SC/ST and girls students will be given adequate representation in the Students' Council.

CHAPTER NUMBER 12
APPOINTMENT, TERMS AND CONDITIONS AND POWERS OF THE VICE CHANCELLOR

1. In accordance with the Act the Vice Chancellor shall be appointed by the Chancellor from a panel of three persons recommended by the Governing Body and shall, subject to the provisions contained in sub-section (7), hold office for a term of three years.

   Provided that if the Chancellor does not approve the recommendation of the Governing Body, he may call for fresh recommendation from the Governing Body.

   Provided that, after expiry of the term of three years, a person shall be eligible for re-appointment for another term of three years.

   Provided further that a Vice-Chancellor shall continue to hold the office even after expiry of his term till new Vice-Chancellor joins. However, in any case this period shall not exceed one year after re appointment.
